VOL. XXXV—No. 1 AUGUST, 1972 $1.00 Per Year

Report of Audit

1350 South 1st St.
Louisville, Ky.
July 14, 1972

Mr. Theodore A. Sanford, Secretary and Treasurer
Kentucky High School Athletic Association
Lexington, Kentucky

Dear Sir:

Pursuant to instructions received, we have made an audit of the books and records of the KENTUCKY HIGH SCHOOL ATHLETIC ASSOCIATION for the period of one year beginning July 1, 1971, and ending June 30, 1972. In addition, we have prepared and attached hereto statements of the Receipts and Disbursements and Assets which, in our opinion, reflect the true financial condition of the Association as of June 30, 1972.

The Cash Funds on Hand and the Building and Loan Associations saving accounts were found to be correct and verified by generally accepted auditing procedures.

We find the records presented to us for the purpose of audit to be in agreement and in good condition.

Respectfully submitted,
HUET L. JOHNSON
Certified Public Accountant

Attention, Principals!

Each principal of a K.H.S.A.A. member school will be supplied during the forthcoming school year with a card which will say: "Kentucky High School Athletic Association — This will introduce (name of principal), (name of school)." The card will be signed by the Commissioner. Most administrators of Association member schools admit to their home contests fellow administrators as a matter of school policy. However, many times these visitors hesitate to identify themselves to the ticket takers. The card mentioned will assist in this identification.

The identification cards are not to be considered as regular season passes to home games of member schools of the K.H.S.A.A. The determining factor in the cards being accepted as passes is the policy of the individual school.

The identification card may be used for admission to all events at the state level except the State Basketball Tournament. A different plan for issuing these passes, along with passes to the district and regional basketball tournaments, is provided in basketball tournament regulations.

Football Examination

Part II of the National Federation Football Examination for officials will be given in Kentucky on Monday, September 18. An official who has been registered for at least one year prior to the current season is eligible to take the examination and work for a higher rating. Officials who hold the Approved rating in football are required to make a minimum percentage grade of 80 in order to maintain this rating from year to year. After an official has received the Certified rating, he continues to receive this rating each year provided that he attends the clinic for that year and has worked in at least six first team high school football games during the previous year.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the K.H.S.A.A. office, Lexington, on Thursday morning, June 8, 1972. The meeting was called to order by President Morton Combs at 9:30, with all Board members and Commissioner Theo. A. Sanford present. The invocation was given by James T. Dotson.

Roy L. Winchester moved, seconded by Tom Mills, that the reading of the minutes of the April 13th meeting be waived since members of the Board had received copies of these minutes. The motion was carried unanimously.

Chairman Richard Vincent of the Budget Committee presented the recommended 1972-73 budget on behalf of his committee. After a general discussion of numerous items in the budget, Richard Vincent moved, seconded by William C. Doan, that the 1972-73 budget as presented be adopted, the estimated receipts being $250,850.00 and the estimated disbursements being $250,400.00. The motion was carried unanimously.

Chairman James T. Dotson of the Retirement Committee stated that his committee wished to present two recommendations to the Board of Control. They were as follows:

1. The Retirement Committee recommends that the trustees of the K.H.S.A.A. Retirement Trust Fund be directed to put into effect as of July 1, 1972, the pension plan agreement signed by members of the Board of Control on June 5, 1970, as said agreement bears on the retirement of Commissioner Theo. A. Sanford. The Committee further recommends that the formula in determing the amount of the retirement allowance, as provided in the agreement, be based on 35 years of credited service.

2. The Retirement Committee recommends that President Morton Combs and Secretary Theo. A. Sanford be authorized to sign the Louis Stout retirement contract, representing the Board of Control. The contract is based on an endowment-at-65 insurance policy, taken out on the life of Louis Stout and dated December 15, 1971, said contract being similar to the contracts of Assistant Commissioners J. B. Mansfield and Billy V. Wise.

James T. Dotson moved, seconded by J. C. Cantrell, that the Board of Control put into effect the two recommendations presented by his committee. The motion was carried unanimously.

Upon recommendation of the Commissioner, William C. Doan moved, seconded by Arthur R. Hawkins, that the Board of Control adopt the following resolution: "Be it resolved that Joe B. Mansfield, Secretary-Treasurer of the Kentucky High School Athletic Association on and after July 1, 1972, be authorized to negotiate short term loans for the Association on behalf of the Board of Control acting in its own capacity or as trustees of Association property, for the purpose of underwriting the cost of current budget items prior to receiving anticipated budget receipts in any one fiscal year, pledging whatever collateral is required by the lending institution." The motion was carried unanimously.

Upon recommendation of the Commissioner, James T. Dotson moved, seconded by W. P. Wheeler, that the Board of Control adopt the following resolution: "RESOLVED 1) that Joe B. Mansfield, to be Secretary-Treasurer of the Kentucky High School Athletic Association on and after July 1, 1972, shall have authority to deposit and

invest the funds of the Kentucky High School Athletic Association, including checking accounts, savings accounts, and retirement funds, with the First Security National Bank and Trust Company, the Central Bank and Trust Company, the Bank of Commerce, and the Second National Bank and Trust Company, all of Lexington; the First Federal Savings and Loan Association and the Lexington Federal Savings and Loan Association, both of Lexington; and other depositories of K.H.S.A.A. funds selected by the Secretary-Treasurer in the future, with the approval of the Board of Control; 2) that Joe B. Mansfield is hereby authorized to sign on behalf of the K.H.S.A.A. any and all checks and other instruments and/or orders for the payment and/or withdrawal of any and all monies, credits, items and property at any time held by said banks and loan associations mentioned above; 3) that all foregoing authority invested in said officer shall continue until a certified copy of a resolution of this Board of Control, revoking said authority, is filed with the said banks and/or loan associations mentioned above." The motion was carried unanimously.

The Board of Control directed the Commissioner to ask the principals of Section 6 to submit names for a replacement on the Board for Tom Mills who will become a member of the K.H.S.A.A. administrative staff on July 1.

James T. Dotson moved, seconded by W. P. Wheeler, that the policy of hanging framed pictures of past Board presidents in the Board room be continued, and that a framed picture of the retiring Commissioner be included in this group. The motion was carried unanimously.

William C. Doan moved, seconded by Roy L. Winchester, that the 1972-73 salaries of J. B. Mansfield, Billy V. Wise, and Louis Stout be set respectively at $20,000.00, $15,225.00, and $13,250.00. The motion was carried unanimously.

The Commissioner proposed several changes in tournament and meet regulations, some of which have been made necessary because of the federal court order. The changes were as follows:

1. Substitute the following for Baseball Rule VI: "Umpires for the tournaments shall be assigned by the Commission. Only registered officials shall be used."

2. From Basketball Rule IV-A, delete the following from the third sentence: "secure officials upon nomination of the principals of the schools that will be represented in the tournament."

3. From Basketball Rule IV-B, delete the following from the second sentence: "secure officials upon nomination of the school representatives."

4. Delete the first and fourth paragraphs from Basketball Rule V-A and substitute the following: "Officials for the tournaments shall be assigned by the Commission."

5. Substitute the following for the second sentence of Football Rule II-A: "Each region may be divided into districts."

6. Change the title of Track Rule XIII to read "Trophies and Awards," and substitute "awards" for "medals" in the first paragraph. Substitute "awards" for "medals" in the second paragraph.

7. Substitute "finalists" for "semi-finalists" in Wrestling Rule VI.

J. C. Cantrell moved, seconded by Frank B. Simpson, that the tournament and meet regulations changes recommended by the Commissioner be made. The motion was carried unanimously.

Arthur R. Hawkins moved, seconded by Roy L. Winchester, that all bills of the Association for the period beginning April 1, 1972, and ending May 31, 1972, be allowed. The motion was carried unanimously.

After a prayer by J. C. Cantrell, the meeting was adjourned.

Newly Elected Board Member

Zeb Blankenship

Zeb Blankenship, Principal of the Jessamine County High School, has been elected to membership on the K.H.S.A.A. Board of Control, representing Section 6, to fill out the unexpired term of Tom Mills who is now an Assistant Commissioner of the Association.

Mr. Blankenship is a native of Elkhorn City, Kentucky, where he was graduated from high school in 1945. He was a member of the then Cumberland High School basketball team which represented the 15th Region in the State High School Basketball Tournament in 1943, 1944, and 1945. He was named to the All-Tournament Team in 1945 and later played for the Kentucky All-Star Team which was coached by Ed Diddle of Western. He received a scholarship to the University of Kentucky, where after the Freshman season he was called into service in the U. S. Army.

Upon discharge from the Army Mr. Blankenship attended the University of Louisville and Pikeville College. He was graduated from the University of Kentucky in 1952 and received his Masters Degree from U. K. in 1953. He received the Standard Leadership Certificate in 1969 from U. K.

Zeb Blankenship has been associated with Pike County Schools in Virgie and Belfry as a teacher and coach; at Madison-Model in Richmond; at Mercer County High School and since 1967 has served in his present capacity as principal of Jessamine County Senior High School. He is an active member of the Kentucky Association of School Administrators.

Mr. Blankenship's wife, Nel, is a medical record librarian, employed by the Kentucky Department of Mental Health. He is the father of twin daughters, Kathy and Barby who are sophomores at the University of Kentucky. He has two sons, Chuck a junior in high school, and Scott, a sixth-grader, both of whom are promising athletes.

New Film — Football Today

Football Today is a new 16mm, 28 minute sound, color film. Dramatic visual effects and exciting play action aid the viewer in gaining a better understanding of the rules and a deeper appreciation for football as played today at the Interscholastic level. Thru the use of stop-action, instant replay, and slow-motion photography, players, coaches, officials and spectators will see through the eyes of the official what he looks for

in determining the many judgment decisions required to keep this rugged man-to-man contact sport safe, exciting and fair to both teams.

Two prints of the film have been secured by the K.H.S.A.A. Member schools may secure the film by writing the Film Library, College of Education, University of Kentucky. At least two dates on which you can use the film should be given due to the heavy demand for the film at the start of the season.

Heat Illness In Early Football

During the past ten years there have been forty-six deaths from "heat-stroke" occurring in American football players, mostly in high school. This ranks number two as the largest cause of death from football injuries, second only to injuries to the head.

As coaches, if you and your team physician allowed your players to play football without head gears and they died of head injuries, both of you would be held accountable. Medicolegally today, these deaths from heat stroke have been termed "preventable." You, your high school principal, superintendent of schools, and school board have all been held liable.

What can we do to prevent this tragedy? Most of these deaths have occurred during the first few days of early football practice and most have occurred to interior linemen; those people who show a great weight loss each day during early practice.

On the basis of work in the armed services during the past three years, and following the dictates of Dr. Robert Murphy, team physician for Woody Hayes' Ohio State football team who addressed us at the recent Seminar on Sports Medicine at Eastern Kentucky University, I would like to point out some simple measures to prevent heat illness and to provide you with the most sure-fire method of knowing what can be done on the practice field each day, at each of your practices during early football.

Prevention of Heat Illness in Early Season Practice

1. Acclimatize your players both to heat and exercise. Do this for several weeks prior to the beginning of your regular practice.

2. Condition them to practice for at least three weeks prior to the beginning of "full" practice. They should begin with 20-30 minutes, and gradually increase this before putting on pads.

3. Clothe them properly. Be certain that the clothing is loose, light weight, preferably "net" with short sleeves.

4. Provide fluids before practice, during practice, after practice; as much as they will drink. This can be cold, even ice. I know that this is contrary to everything that all of us have been taught, but this is certainly the most significant thing that we in sports medicine have learned in the last ten years.

5. Weigh players before and after practice. Encourage fluids to those who lose much weight.

6. The coaching staff must cooperate with the team physician. They must give full support to the entire program. The basis of this program should be the daily use (especially in August and September) of a "sling psychrometer" to determine the wet bulb temperature reading and what precautions should be taken during practice. The instrument may be obtained for $12.00-$15.00 from: Mason Supply House, 985 Joyce Add. (P. O. Box 14765) Columbus, Ohio 43203; Fischer Scientic Company, 5481 Creek Road, Cincinnati, Ohio 45242; Welsch Scientific Company, 10400 Taconic Terrace, Cincinnati, Ohio 45215. A student manager can easily be taught to make the determination in 2-3 minutes. Below is a chart on wet bulb temperatures and the precautions a coach should take during practice.

Wet Bulb Temperature, Under 60°F-Field Precautions, No precautions necessary; 61°-66°F, Watch all squad members especially those who lose a lot of weight (interior linemen!); 67°-72°F, Water must be given on field at 10-15 minute intervals; 73°-77°F, Alter practice schedule to a lighter routine. Observe all above precautions; 78°F or higher, Practice postponed, or conducted in shorts for only a short time.

If you follow these simple precautions, you can prevent a catastrophe not only to your football team but to your school.

Additional Class in Cross Country

An additional classification will be set up in Cross Country for the coming season making three in all. Class AAA will not be changed. The other schools will be divided in Classes AA and A with about the same number in each. There will probably be seven regions in each class with the winner and runner-up teams qualifying for the state with an additional team qualifying if there are eight or more teams in a region. The top five individuals not on a qualifying team will be allowed to enter.

The regional sites and the assignments of the schools to regions will appear in the October issue of the ATHLETE.

FILMS

The films listed below are in the Film Library of the University of Kentucky College of Education. The code letters, "e, j, s, c, a," refer to elementary, junior high, senior high, college and adult audiences who may enjoy the particular film listed. The rental prices shown do not apply to schools which use one of the special subscription service plans offered by the Bureau of Audio-Visual Material.

Football

BALL HANDLING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.

Fundamentals of ball handling are stressed; stance, grip, "feel" of the ball, fingertip control adjustment before throwing or kicking, receiving passes from center or from a back, catching passes and punts, ways of carrying ball, and changing from one hand to another. Game shots are presented, using slow motion and stop action techniques, and superimposed animation to illustrate principles.

BLOCKING IN FOOTBALL, j-s-c, 1 reel, $2.00.

Fundamentals of good blocking are taught in this film; position, speed, drive, follow-through, timing, and body control. Describes shoulder and body blocks, demonstrating several varieties of these. Importance of good physical condition, practice, and experience are emphasized. Special photography used to illustrate different points.

FOOTBALL BY THE RULES, e-j-s-c-a, 3 reels (30 min.), color, $1.00.

The film will give to the viewer a better understanding and a keener appreciation of football. Modern photography presents many play situations that portray the guidelines used by officials in making judgment decisions so necessary in this sport.

KNOW YOUR FOOTBALL, e-j-s-c-a, 3 reels (30 min.), color, $1.00.

Gives a visual approach to the written rules. Play situations challenge the viewer's knowledge and clarify many rules interpretations. Recommended for fans, officials, coaches and players.

TACKLING IN FOOTBALL, j-s-c-a, 1 reel, $2.00.

Tackling propertly is shown as the result of application of certain fundamentals: good physical condition, speed, body placement, drive, sure grip, timing, and body control. Shoulder and cross body tackles are demonstrated in various ways, with special instruction for safety and means of reducing shock.

FOOTBALL TODAY, e-j-s-c-a, 1 reel, color, $1.00

Dramatic visual effects and exciting play action and the viewer in gaining a better understanding of the rules and a deeper appreciation for football as it is played today.

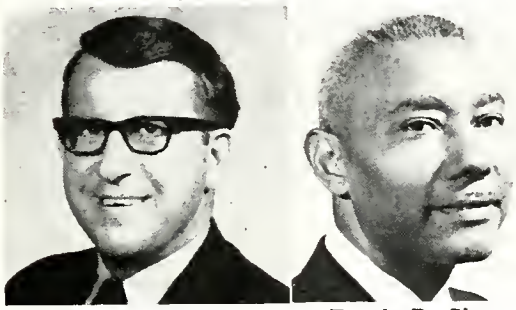
K.H.S.A.A. Board of Control Officers — 1972-73



Richard Vincent
President

Frank B. Simpson
Vice-President

Richard Vincent, principal of the Union County High School, was elected President of the Board of Control at the summer meeting of the directors, held on July 28, 1972. Frank B. Simpson, Jefferson County assistant superintendent for general administration services, was named Board Vice-president.

Mr. Vincent, a graduate of Cuba High School, received his B.S. degree in 1958, from Union University, Jackson, Tennessee. He received the Outstanding Graduate Award from that institution. He has since continued his studies at Murray University where he received his M.A. degree.

Mr. Vincent's teaching and coaching career began in Calloway County as the Hazel High School. After school consolidation, he went to the faculty of Calloway County High School. After four years at that school he moved to Union County where he has served two years as a coach, three years as an elementary principal, and is now serving his sixth year as high school principal.

Mr. Vincent married Miss Jimmye Ann Brantley of Sturgis. They have two children, a daughter, Wray Ann, who is seven years old and a son, Barry Bruce, who is two years old.

Frank B. Simpson graduated from Kentucky State College in 1942. He received his M.A. degree from the University of Kentucky in 1956. He was a high school principal for twenty-one years, twelve years of which were spent at the Todd County High School where he was basketball and track coach. He was principal of the Hopkinsville Attucks High School during the 1958-67 period being appointed to his present position with the Jefferson County Board of Education on July 1, 1967.

While in Western Kentucky Mr. Simpson served as Vice-President of the old East-41 Basketball League, President of the Third District Teachers Association, and President of the Second District Principals Association. He served twelve years on the Executive Committee of Kentucky State College Alumni Association. He served three years on the Governor's Commission on Higher Education. He was on the Regional Mental Health Board of Hopkinsville for five years, and has been a steward in the Christian Methodist Episcopal Church for twenty-seven years. A former Kentucky State College athlete, Mr. Simpson played three sports in high school, basketball, football and track.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Barkley Lodge, Cadiz, Kentucky, on Friday and Saturday morning, July 27-28, 1972. The meeting was called to order by returning President Morton Combs at 9:30 A.M. Present were Board members J. C. Cantrell, William C. Doan, Tom Dotson, Arthur R. Hawkins, Richard Vincent, W. P. Wheeler, and Roy L. Winchester; new Board members Zeb Blankenship and Andrew J. Fultz; Commissioner J. B. Mansfield and Assistant Commissioners Louis Stout and Billy V. Wise. The invocation was given by Tom Dotson.

William C. Doan moved, seconded by Arthur R. Hawkins, that the reading of the minutes of the June 8th meeting be waived, since the members of the Board had received copies of the minutes. The motion carried unanimously.

President Combs welcomed Zeb Blankenship and Jack Fultz as new members of the Board, and called for the election of Board officers for 1972-73. Roy L. Winchester moved, seconded by Arthur R. Hawkins, that Richard Vincent and Frank B. Simpson be elected respectively President and Vice-President of the Board of Control by acclamation. The motion was carried unanimously.

Before he relinquished the chair, Mr. Combs spoke concerning the program of the Association, and Mr. Dotson expressed his pleasure of having been permitted to serve on the Board for the past four years.

The Commissioner made a report on Association receipts and disbursements during the 1971-72 year. Copies of the audit, recently prepared by Huett L. Johnson, Certified Public Accountant, were given to each member of the Board. Roy L. Winchester moved, seconded by J. C. Cantrell, that the audit report of the Commissioner be accepted. The motion was carried unanimously.

Messrs. Hawkins and Winchester gave a report on the National Federation Annual meeting recently held in Miami.

On a motion by Jack Fultz and seconded by W. P. Wheeler, boys' soccer was added to the list of sports in which a state championship would be declared. The motion passed unanimously. The Commissioner was authorized to set up regulations for the program and present them to the Board at its next meeting for approval.

On a motion by Roy L. Winchester, seconded by W. P. Wheeler, the Commissioner was authorized to select a committee to assist in setting up a Class A division for cross country. The motion passed unanimously.

W. P. Wheeler moved, seconded by Roy L. Winchester, that the President appoint a committee to study the possibility of adding another classification in football for the 1973 and 1974 seasons. The President will name the committee in the near future. The motion carried unanimously.

The Board authorized the Commissioner to survey the desirability for a program in girls' basketball for the future. The survey being for the purpose of determining if there is a need for such a program based on the number of schools

Attention Officials!

The attention of all registered K.H.S.A.A. football, basketball and baseball officials is called to By-Law 29, Section 9, which provides that the official shall be supplied with an emblem which he shall wear on his sleeve or sweater. The emblem is to be worn on the left shoulder shirt sleeve approximately one and one-half inches below the shoulder seam. The Approved or Certified bar should be worn below the emblem. Failure to wear the emblem will make an official liable for suspension from the Officials' Division of the Association.

Recommended uniforms are as follows:

Football — black and white striped shirt (long or short sleeves), black baseball cap with white piping, white knee pants, black belt, black stockings, black shoes and laces;

Basketball—black and white striped shirt (short sleeves, long sleeves by special permission), black trousers, black belt, black shoes and laces;

Baseball—navy blue or black trousers, black athletic leather shoes (not football shoes), navy blue coat or jacket, navy blue shirt if working coatless, white shirt if wearing coat or jacket, white shirt on bases if all base umpires are dressed the same, umpire's navy cap (no player caps), indicator and mask of choice, inner protector or inflated protector (inflate type if official desires to purchase), black belt, black shoe laces, black tie with white shirt.

1972 Football Publications Corrections

This constitutes a list of errors reported or detected to date in the football publications. It is being made available at this time so that you may bring the corrections to the attention of your officials. Not included are minor errors which do not change the play or ruling.

CASE BOOK

Play 21 — The procedure is; In (a) the referee will determine whether the line-to-gain has been reached and, if it has, will indicate a first down, then signal time-out.

Play 22 — The second sentence of the ruling; — "This is one of the times a field goal may be scored by a free-kick."

Play 47 — Change the second sentence of the ruling; — "The referee will place the ball on R's 35, then face each sideline and the arms extended to the front and raised about head high, use a chopping motion with the heel of one hand against the opposite wrist and point to the offending team."

Play 264C — The last sentence of the ruling should read: "If the penalty were declined, R will next put the ball in play by snap from 10 yards behind its free-kick line."

Play 302H — Change the last sentence of the ruling; — "It shall be B's ball, 1st and 10 from its 20."

Play 307F — The down and yardage in the last sentence of the ruling should be, 1st and 1 rather than 1st and goal.

TRANSPARENCY SCRIPT

Paragraph 19 — the second sentence should read — "If team A commits both a live and dead ball foul, they are not combined to form a multiple foul."

EXPLANATORY MATERIAL ON 9-1-2

In the Case Book there is an expansion of the time the 6-yard belt is in effect and provides that the zone "Desintegrates when the ball is advanced beyond that area toward B's goal line." This is consistant with other codes.

Major Wrestling Rules Changes For 1972-73

Rule 1, Section 11: Permits wrestlers to wear contemporary hair styles provided the hair on the side does not extend below ear lobe level as below an ordinary shirt collar in back.

Rule 2, Section 8: Provides that contestants are considered to be inbounds if the supporting parts of either wrestler are inside the boundary lines and clarifies that a fall or points for a near-fall may be earned only while the defensive wrestler is unbounds.

Rule 2, Section 10: Defines 2 and 3-point near-fall situations and eliminates the word predicament from wrestling rules.

Rule 2, Sections 14a and b: Clarifies the starting position on the mat for both the defensive and offensive wrestlers.

Rule 4, Sections 28 and 29: Qualifying and seeding procedures for NCAA and college division championships clarified.

Rule 6, Section 14: Defines violations for delaying the match.

Rule 8, Section 3k: Requires referee to sign the official scorebook or score sheet certifying final results.

BOARD MINUTES

(Continued from Page One)

now sponsoring this sport. A championship series could not be started before 1973-74 season at the earliest.

The President appointed a committee to study the constitution, by-laws and tournament regulations of the Association and to make suggestions to the Board of Control on any purposed changes that are needed. The members of this committee are: Chairman Frank B. Simpson, Lloyd Sharp, James McAfee, Eli Alexander. The President and Commissioner are ex-officio members.

The President appointed as members of the Policy Committee Chairman Roy L. Winchester, William C. Doan, W. P. Wheeler, and Frank Simpson. He appointed to the Trophy Committee Chairman Arthur R. Hawkins, Zeb Blankenship and Assistant Commissioner Tom Mills. The members of the Retirement Committee are Chairman J. C. Cantrell, Jack Fultz and Louie Martin. Additional committees to assist in carrying out the program in swimming, gymnastics and soccer will be named at a later date.

J. C. Cantrell moved, seconded by Zeb Blankenship, that a study be made and a salary schedule be adopted for future salaries of the secretaries in the Association and that Mrs. Jean Batsel be named office manager. The motion passed unanimously.

On a motion by Jack Fultz, seconded by William C. Doan, the Board agreed unanimously to accept a contribution of $1,000 from the Kentucky High School Coaches Association. The sum is to be used in connection with the catastrophic policy now carried by the K.H.S.A.A. with the Kingden Company. This policy covers all athletes, boys and girls, in the member schools after the cost of the injury has reached $1,000.00.

It was moved by Roy L. Winchester, seconded by W. P. Wheeler, that President Richard Vincent and Secretary J. B. Mansfield be authorized to sign the Tom Mills retirement contract representing the Board of Control. The contract is based on an endowment-at-65 insurance policy, taken out on the life of Tom Mills and dated July 12, 1972, said contract being similar to the contracts of the other assistants. The motion passed unanimously.

It was moved by J. C. Cantrell, seconded by Roy L. Winchester, that the following be added to the second sentence of Item 2, Section B, of the rules and regulations governing football championships: "unless each team plays every other team in the district." The motion passed unanimously.

William C. Doan moved, seconded by Jack Fultz, that all bills of the Association for the period beginning June 1, 1972, and ending July 31, 1972, be allowed. The motion was carried unanimously.

TO: PRINCIPALS OF MEMBER SCHOOLS OF K.H.S.A.A.

SUBJECT: CATASTROPHE INSURANCE POLICY

The following information about the catastrophe insurance coverage purchased by the K.H.S.A.A. and the Kentucky High School Coaches Association to cover athletes of member schools is published for your consideration. The coverage commenced June 15, 1972, for the school year 1972-73, and will be identical with the coverage for last year.

PERSONS COVERED: Student athletes on teams of member schools of K.H.S.A.A. will be covered while practicing for or competing in K.H.S.A.A. approved inter-school athletic events or while traveling in a group directly to or from practice session or scheduled athletic event for the purpose of participating in such session or event.

ACCIDENT MEDICAL EXPENSE BENEFIT: Expenses incurred for treatment of a covered injury including necessary services of a licensed physician, hospital expenses subject to limit for daily room and board and general nursing care of normal charge for semi-private room, private duty nursing care by R.N. on order of physician and physio-therapy performed while hospital confined shall be covered within fifty-two (52) weeks following the accident causing injury provided treatment for such injury commences within thirty (30) days of the date of covered accident.

The first $1000.00 of covered expenses, or the amount of such expenses as are covered under all other collectible insurance of the policyholder and insured, whichever figure is greatest, will be deducted from any claim paid hereunder. Subject to this provision, the Company will pay up to a maximum of $10,000.00 except that when payment under the plan exceeds $5000.00, further payment shall be 75% of the eligible charges.

EXCLUSIONS: No payment shall be made for hernia, appendicitis, cardiac disease, diabetes, detached retina, osteomyelitis, malignancy or Osgood-Schlatters disease, or aggravation of a pre-existing condition, or for injuries connected with fighting or brawling.

ADMINISTRATION: The plan is administered by The Kingden Company. You may secure complete information about the coverage from the company.

The Kentucky High School Athlete

Official Organ of the

Kentucky High School Athletic Association

VOL. XXXV—No. 3 OCTOBER, 1972 $1.00 Per Year

RESPONSIBILITIES TO STATE ASSOCIATIONS

National Federation of
State High School Athletic Associations

It is a duty of those responsible for directing and coaching interscholastic athletics to support the program of the State High School Athletic Association of which their school is a member. Unfortunately, this duty is not always fulfilled. When the application of a regulation brings criticism to the State Association, too many administartors, too many athletic directors, and too many coaches, neglect to support the program they helped develop. The easy way out for them is to use innuendoes or indirection, leaving the idea that the State Association is superimposing standards which the school representatives had no part in formulating. Not only is this most unfair, but it also tends to weaken the program which has been developed for the benefit of the membership. Those who have the responsibility of administering interscholastic athletics must have the courage and fortitude to stand up and be counted when unwarranted criticism is leveled at the organization which carries out the policies they establish.

A State High School Athletic Association must have rules if the welfare of the participant is to be protected, if equable competition is to be insured, if the program is to be conducted in a sportsmanlike manner and if the program of the member schools is to be protected. It is acknowledged that the rules and regulations of State High School Athletic Associations are uniformly high. Satisfactory programs require high standards and anything less would be uncomplimentary to the schools and completely unsatisfactory.

The protection of the school's program by the State Association is an honorable and needed objective. Such protection is, and has been, an inherent reason for organizing any group. All organizations protect their programs. The purpose is not one of selfishness but rather, in the case of interscholastic athletics, it is to insure that the competition contributes to the education of the participants. Without some protection provided as a result of adherence to standards an orderly program definitely could not be maintained.

The fact that participation in interscholastic athletics is entirely voluntary makes it more necessary that the program be protected. This protection is provided in many ways and, includes: the sanctioning of competition, the requirement that contracts be honored, the adoption of eligibility rules which certify that the participant is a bona fide student, the adherence to standards which maintain equable competition, and assurance that participants maintain their amateur standing. These rules have all been developed through experience.

School and athletic administrators have the privilege of participating in the development of rules and regulations which will determine the policy and procedures for the activities in which their school will take part. Along with this privilege comes the responsibility for supporting those regulations which have been adopted by the majority of the membership. Thus, school representatives have the obligation of defending the actions of their State High School Athletic Association. It is necessary that these persons support the State Association in their own communities when there is unwarranted criticism of their organization. It is particularly essential when legislators attempt to use their elected positions to erode the authority which rightfully belongs to the schools themselves. Those who do not give active support are derelict in their duties.

State High School Athletic Associations will not be able to protect the school's program if those who are responsible for formulating the rules and regulations neglect to keep the public aware of the fact that the State Association is a school organization and that the administrators themselves determine what the rules shall be. The State High School Athletic Association is a grass roots organization. The membership determines the policy and procedures. Unless those who participate in making these determinations fulfill their responsibility of aggressively and vigorously supporting the standards which they themselves develop, someone else will be establishing the school standards for them in the future.

— Clifford B. Fagan,
Exec. Secretary

Attention, Athletic Directors

The recently formed Kentucky High School Athletic Directors' Association is "off the ground and running." This organization came into existence last spring when we officially adopted our Constitution and By-Laws, and installed our officers. Our over-all purpose is to help elevate the position of high school athletic directors to a more professional level. The response to this organization has been good across the state.

We are unofficially sanctioned by the Kentucky High School Athletic Association, the Kentucky Association of Health, Physical Education, and Recreation, The Secondary Principals Association, and the Kentucky Coaches Association. We will work in harmony with all organizations involving themselves with the improvement of the total educational program in Kentucky.

Our first state-wide Association meeting will be held April 12, 1973, at Freedom Hall in Louisville, during the Kentucky Education Association spring meeting. We are planning an outstanding program.

We welcome athletic directors from all over the state to join with us. The registration fee for membership is $5.00. Send your check for membership to: President Andy Hopkins, Ky. High School Athletic Directors' Ass'n, 400 Lafayette Parkway, Lexington, Kentucky 40503. Upon receipt of your check, your 1972-73 membership card will be issued to you.

—Andy Hopkins

A Simple Word Called "Respect"

Perhaps this is being shown with shocking reality in regards to officials and coaches, not only on the professional level, but on the interscholastic level as well. Too little respect is shown the game official today by members of the coaching profession. However, by the same token the official no longer seems to have the confidence in the coach that he once held. Just a short time ago, the official and coach gave each other the benefit of the doubt concerning their ability to perform the duties that each was being hired and paid to do. Now it seems that each has already been judged by the other before he steps foot on the field or floor to perform that duty. That's a shame, because each has a duty and a responsibility not only to themselves, and to each other, but to the young men with whom they come in contact. The simple word "respect" has too many times been forgotten by both parties before the athletic contest even begins.

Neither has an easy job. Yet both must be capable of handling the job they have undertaken or they should not have accepted the responsibility of the position.

Perhaps some of this lack of respect for the other comes from the fact that one of the parties has never been as the saying goes "On the other side of the fence." The official may have never coached and the coach may have never officiated.

An athletic coach is a special breed of man. He must be, for he deals with many problems that will never arise for the ordinary man in his lifetime. The coach deals with the emotions of human beings. He comes in close contact with the lives of the young men who have been placed in his trust. His job is a big one. Some coaches meet the challenge, some never quite make it.

A coach must reach inside of each young man and see what makes him tick. He must attempt to help him overcome his faults and shortcomings. He must help him accept responsibility. He must teach him how to lose as well as how to win. Not everyone can win, but everybody can be a winner.

On top of all the emotional problems that may confront him, the coach must teach the young man the basic fundamentals of the sport involved. He must attempt to get his team ready for at least one game a week and, perhaps, more during the season. He must teach them the little things that win games. The blocking and tackling, the hitting and fielding, etc. These are the things that turn defeat into victory.

First of all however, he must take that young man before a game and attempt to fire him up to the point that he will perform to the best of his ability. Here again he deals with a tricky problem, the emotions of human beings. The coach must know the capabilities of his players, his team and himself. He must know what they can do and what they cannot do. Perhaps in this lies the secret of coaching in interscholastics.

The official must also know his capabilities. He must be ready and able to work each athletic contest as if it were for the state championship. He must be "up" for each game, because his decisions, his split second judgment calls will have a bearing on the athletic contest that is unfolding before him.

Just as a coach is a basic part of each athletic contest, so is the official who must uphold the rules of the game. In a strange way, they need each other. A team cannot play without a coach. Just as a game could not be played without officials.

It makes you wonder why they do not respect each other. Perhaps, as we mentioned earlier, it is because each does not really understand how hard the job is that the other is doing.

An official must at all times be in position to make the proper calls in an athletic contest that he works. An official must earn the respect of the coach and the young men who he has under his protection. This can be attained only by being in good physical shape, having a good knowledge of the rules that govern the sport involved and then applying this knowledge to each individual game to the best of his ability.

Too many officials forget what it means to have "pride" in something you do. Proper mechanics are often termed as "old fashion" by some officials, yet proper mechanics can do much toward maintaining complete control of a basketball, football, or baseball game.

An official should have pride in himself from the time he walks into the school until the time he leaves. Pride is not being self-centered or stuck-up. Pride is having the knowledge to do a job and then having the courage and confidence to do that job to the best of your ability. A little pride never hurt anyone. It goes a long way toward earning respect.

An official should never be late for a contest. He should be early, and he should be ready for the job that he has before him. It's not an easy task. Let's face reality. Many officials have spent their day working hard at a job that is perhaps far from officiating as it can be. Then they must rush home, grab a bite to eat and take off for the site of the game. Maybe they spend the better part of an hour or two driving to that site. Then they must hurry up and dress and be ready by the time they must be on the floor. This compares with the coach, who has spent his day teaching classes, then he must either take another two hours of his time and perform his duty as a coach through practice sessions or he must rush home the night of the game and like the official, grab a quick snack and be on his way back to the gym in time for the Junior varsity game.

Both are not as relaxed as they could be had they had the entire day to think about what would be going on that evening. Had they been able to perhaps rest a couple of hours that afternoon before the game. But this is part of it. Each one must reach back in his hip pocket and come up with that extra strength to perform his duty as well as he is capable of doing so. If not, each should find another profession.

For this reason, if for none other, the coach and official should respect each other. Each has

National Federation Basketball Test

Part II of the National Federation basketball examination will be given all over Kentucky on Monday, December 4, to officials who wish to work for the Approved and Certified ratings. The examination sites will be determined by the Commissioner. Officials registered with the K.H.S.A.A. for the first time this year and who have not been registered previously in any other state association, are not eligible to take the test. Those interested should advise the State Office immediately in order that necessary arrangements can be made with the school administrators who will supervise the taking of the exam. Officials living in Kentucky need not suggest the name of the examiner. The Approved rating does not carry forward from year to year, but must be earned each year.

Wrestling Regions

The Board of Control set up eight regions in wrestling for 1972-73 school year. The region, the name of the manager, and the schools assigned to each region are listed below. If your school plans to enter a team and is not listed in any region, will you please contact this office or the regional manager nearest you.

Fort Campbell Region (Marshall Patterson)—Caldwell County, Christian County, Fort Campbell, Hopkinsville, Lyon County, Madisonville-North Hopkins, Paducah Tilghman, Russellville, Union County, Trigg County

Hardin County Region (David Lawson)—Bowling Green, Breckinridge County, East Hardin, Franklin Simpson, Henderson County, North Hardin, Owensboro, West Hardin

West Jefferson Region (Brother Daniel)—Doss, Fairdale, Flaget, Pleasure Ridge Park, Stuart, Valley, Western

Central Jefferson Region (Will Evans)—Durret, Kentucky School f/t Blind, St. Xavier, Seneca, Trinity

East Jefferson Region (Bob Weenolsen)—Ballard, Eastern, Fern Creek, Jeffersontown, Kentucky Country Day, Waggener, Westport

Frankfort Region (Raymond Webb)—Boyle County, Danville, Frankfort, Jessamine County, Shelbyville, Woodford County

Lexington Region (Phil Greer)—Belfry, Bryan Station, Harrison County, Henry Clay, Johns Creek, Lafayette, Lynch, Millersburg Military Institute, Tates Creek

Northern Kentucky Region (Jerry Abney)—Boone County, Campbell County, Conner, Holmes, Newport, Newport Catholic, Simon-Kenton

Wrestling Rules Clinics

Four clinics for wrestling coaches and officials have been set up by the State Wrestling Committee. The dates and sites of the clinics are as follows:

November 2—Frankfort High School, Frankfort, 7:30 P.M.

November 4—Conner High School, Hebron, 1:00 P.M.

November 9—Seneca High School, Louisville, 7:30 P.M.

November 11—Fort Campbell High School, Fort Campbell, 1:00 P.M.

The Game Guy Award

The K.H.S.A.A. will continue to give the Game Guy Award. School representatives and registered officials may make nominations for the award. The eligible person should be a pupil at the junior or senior high school level who has overcome great physical handicap in order to take part in athletics. Letters of recommendation should be addressed to "Game Guy Committee, K.H.S.A.A., P. O. Box 7502, Lexington, Kentucky 40502." Deadline for the 1973 nominations is April 1.

Minutes of K.H.S.A.A. Wrestling Committee

The State Wrestling Committee met in the K.H.S.A.A. Office Building on October 21, 1972, at 9:30 A.M. Chairman Orville Williams, state tournament manager presided. Present were the managers of the eight regional tournaments, Assistant Commissioner Louis Stout and Commissioner J. B. Mansfield.

The following business was conducted:

1. The use of a certified scale is strongly urged for the 1972-73 season. It will be mandatory beginning with the 1973-74 season.

2. **Beginning with the current year 1972-73,** the heavy weight class will be limited to 250 pounds. (The committee passed this last year and it failed to get changed in the K.H.S.A.A. booklet).

3. The committee requested the Association to adopt regulations to the effect that each head wrestling coach and officials be required to attend at least one clinic each year.

4. Will Evans was selected as vice-chairman of the committee for 1972-73.

5. Once a boy is certified he may wrestle only in that class and the one above. However, he may re recertified up at any time but **never** down.

6. The seeding criteria for regional tournaments was re-stated. If two boys have met during the season the victor will be seeded ahead of the loser. Also, a boy must have wrestled at least four (4) matches in his certified weight classes. At least three of the four matches must be in his region and against different opponents.

7. A boy may be certified in December. After January 1 the first match he wrestles will be his certification. A boy may **not** be entered in a regional tournament unless his name appears on a certification sheet, **not** on a scorebook. However, he may be entered if he makes **base** weight at weigh-in time at the regional site, provided he has not wrestled in January. **Penalty:** If a boy wrestles after January 1 without certifying, the signed scorebook will serve to certify him but to one weight class up from the class in which he wrestled in that meet. In addition to this, the match in that meet will result in a forfeit.

8. Certification must be made in triplicate with one copy being sent to the regional manager immediately, top copy, and the carbons to go to the visiting coach and the home coach.

9. Tickets to the State Tournament will be sold at a reduced rate to Mat Maids in uniform.

10. Wrestlebacks at the regional level will be held each year to determine second and third places. Upon completion of the finals, the winner of the wrestlebacks will wrestle the loser of the finals to determine second place in the region and a place in the State Tournament. The two will not wrestle again if they have already met.

11. Riding time will not be used.

12. The committee recommended the use of registered officials for a varsity meet.

13. The rules changes for 1972-73 in the Wrestling Guide were discussed by the committee and will be covered in the clinics.

14. The dates, sites and time of four clinics to be conducted by Mr. Williams and Mr. Bob Weenolsen were set up.

15. The sites and managers for the eight regions along with the schools assigned to each were set up. (These will appear in the November issue of the ATHLETE.)

16. The Commissioner drew for the State Tournament. Each weight class was drawn individually.

Respectfully submitted,
Robert O. Weenolsen, Secretary
State Wrestling Committee

Expense Allowances for Minor Sports

The Board of Control revised the amounts and the formula to be used in determining the expense allowance to be paid toward mileage and local entertainment for the so called minor sports. The allowance will be paid for each member of the regional winning team and a coach; to the regional winning individual and a coach. Other teams and individuals that qualify for state finals will not receive any allowance as in the past. The allowance for each person will be 1½ cents for a round trip, $1.50 per meal and $4.00 a night for lodging. The number of meals and nights allowed will be based on the distance of the school from the site of the tournament or meet and the number of days required to hold it.

In swimming the allowance will be paid to individuals qualifying for the finals. In gymnastics a percentage will be paid to each entry.

The formula will increase the amounts most schools would have received previously, especially those located longer distances away. Although the increase was not as much as the Board hoped to provide, it will raise the total cost by several thousand dollars. There were a number of reasons why the increase was not greater. An additional class established in Cross Country resulting in providing trophies and medals for seven more regions and trophies and expenses for another state meet. Medals will be given in the track regionals instead of ribbons. The trophies for all sports at all levels will be of the more expensive silvertone. The sport of soccer has been adopted and this will result in some expense to the Association. As of July 1 under a new law, the Association is required to pay Federal and State Unemployment Tax. There will be an increase in travel by the commissioners for the setting up and directing of the officials associations and meeting with assigning secretaries.

In view of these additional expenditures and the rising costs for everything in general, the Board felt this increase was all that could be justified at this time.

Minutes of Board Meeting

The Board of Control of the K.H.S.A.A. met at the K.H.S.A.A. Building on Saturday morning, October 8, 1972. The meeting was called to order by President Richard Vincent at 9:30. Present were Board members Zeb Blankenship, J. C. Cantrell, William C. Doan, Jack Fultz, Arthur R. Hawkins, Louie Martin, Frank B. Simpson, W. P. Wheeler, Roy L. Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy V. Wise. Mr. Wilbur Smith represented the State Department of Education. The invocation was given by J. C. Cantrell.

Roy L. Winchester moved, seconded by William C. Doan, that the reading of the minutes of the July 27-28 meeting be waived, since members of the Board had received copies of these minutes. The motion carried unanimously.

Mr. Webb Young, Principal of Paul G. Blazer High School, came before the Board to request that the Board consider placing his school in a central Kentucky district for 1973 and 1974. Mr. Webb explained the reason for this request was due to the problems they were having in scheduling games. Mr. Vincent thanked Mr. Young for bringing his problem before the Board and assured him that his request would be considered.

Upon a motion by Jack Fultz and seconded by Frank B. Simpson, the report of the Trophy Committee on the trophy bids was approved as presented by Arthur R. Hawkins and Assistant Commissioner Tom Mills. The names of the companies supplied with bid forms, the bids received, and the contracts awarded were read to the Board. The report was accepted unanimously.

Mr. William C. Doan reported to the Board the results of the Football Committee meeting held on September 23, 1972. Mr. Doan explaned that the Committee met for approximately two hours but came up with no recommendations. He stated that the Committee seemed to be a true representation of the state and that their expressed opinion was hat most schools were satisfied with the present classifications.

Following a discussion of the present football classifications, Roy L. Winchester moved, seconded by Zeb Blankenship, that Class A be composed of schools with an enrollment of less than 550 and Class AA those schools with 550 or more in grades 10-12. This will be for the 1973 and 1974 seasons. The motion was passed unanimously. (See Page 4).

The Commissioner asked that the dates for the Class AAA football finals to be played in Louisville on November 17, 1972, and the Class A and AA football finals to be played in Lexington on November 24, 1972, be approved. W. P. Wheeler made the motion that these dates be approved, Arthur R. Hawkins seconded the motion and it passed unanimously.

Commissioner Mansfield presented the report of the Cross Country Committee stating that a new class had been added this year upon the recommendation of this Committee. Following his report Frank B. Simpson moved, seconded by Jack Fultz, that the report be approved. The motion carried.

Mr. Mansfield reported that the State Swimming Committee had scheduled the Class AA meet tentatively for Eastern Kentucky University and the Class AAA for the Plantation Club in Louisville. The dates are February 23 and 24 for the Class AAA and March 30-31 for the Class AA.

The Commissioner presented the rules and regulations as drawn up by the Soccer Committee for the State Soccer Playoff. They were approved upon a motion by Frank B. Simpson, seconded by

Jack Fultz and the aye vote of all members.

Roy L. Winchester moved, seconded by W. P. Wheeler ,that in Class AAA, Region II, District 3, be changed to District 2 and that District 2 be changed to District 3. All members voted aye.

The Commissioner presented to the Board all the correspondence in the eligibility of Jeffery Joe Wilson. This was done at the request of Prin. Barney Thweatt, Mayfield High School. Jeffrey's parents have moved into the Mayfield School District from the Graves County District. He is ineligible for thirty-six weeks under the rules as the principal of the school he is leaving has not asked that the penalty be waived. After considerable discussion no action was taken for lack of a motion to restore his eligibility.

The Board of Control set the next meeting date for December 15, 1972, at 1:00 P.M. at the K.H.S.A.A. Building in Lexington.

William C. Doan moved, seconded by Zeb Blankenship, that all bills of the Association for the period beginning July 1, 1972, and ending September 30, 1972, be allowed. The motion was carried unanimously.

Films

(Continued from Inside Front Cover)

BUTTERFLY, e-j-s-c-a, 1½ reels (16 min.), $3.00

Newest and most challenging of the swimming strokes is examined in detail. Making use of slow motion underwater photography, the arm action and dolphin kick are analyzed. Correct timing between arms and leg action is vital to performance. Reasons for timing are clearly explained.

CHAMPIONSHIP SWIMMING: PERFECTING TECHNIQUE, e-j-s-c-a, 2 reels, (19 min.), color, $5.50

Outlines briefly the program and training methods used by the Santa Clara Swim Club that may be used by anyone to train swimmers. The techniques illustrated, such as weight, training, circle training, pace clocks, bench and stroke work, and interval training, when properly applied in the appropriate circumstances, will all prove beneficial in perfecting swimming style.

CRAWL STROKE, e-j-s-c-a, 1 reel, $2.00

The basic principles of the stroke are presented in this film. The arm stroke, the kick, and the breathing are demonstrated. This firm also includes slow motion shots underwater.

DIVING FUNDAMENTALS, j-s-c-a, 1 reel, $2.00

After a brief history of the sport of diving, the following points are explained and demonstrated: the hurdle jump, determining the correct distance, proper arm action, correct way of landing on the feet, proper takeoff and lift, correct entry into the water. The backward dive is also taught, including lift, arching the body, and entry into the water. The motion is stopped at various points to enable detailed study of form.

DOLPHIN KICK, e-j-s-c-a, 1 reel, $2.00

An excellent swimmer, an underwater camera and carefully devised teaching demonstrations introduce the new swimming techniques known as the dolphin or fishtail kick. Analyzing the body movements used in the dolphin kick, the film stresses the importance of practice for mastery of this efficient speedy kick.

DROWN PROOFING, j-s-c-a, 1 reel (9 min.), color, $4.50

Shows how to stay afloat and travel in water even if you have never learned to swim. Ninety-nine per cent (99%) of all men and about ninety-nine point nine per cent (99.9%) of all women can remain on the surface in fresh water without moving, as can nearly all children.

I'M NO FOOL IN WATER, p-e-j-a, 1 reel (8 min.), color, $3.00

Jimmy Cricket illustrates the "do's" and "don'ts" of water safety precautions. Points out the basic rules: wait at least two hours after eating, stay out when water is too cold, never swim alone, and dive only when you know the water is deep enough.

SPRINT CRAWL, e-j-s-c-a, 1¼ reels (14 min.), $3.00

Underwater photography plus animation demonstrate the dynamics of moving solid bodies through water and the resistance factors that must be overcome. You see the employment of arms and legs as well as entire body for speed, streamlining power. Championship racing starts breathing techniques, and turns are shown in slow motion.

SWIM AND LIVE, j-s-c-a, 2 reels, $2.00

Men of the Army Air Force at Miami are taught to swim from floating to swimming through burning oil. The film is useful for pre-induction instruction and for safety classes as well as for general programs.

SWIMMING BY THE RULES, e-j-s-c-a, 1½ reels, (18 min.), color, $1.00

The first film ever produced to demonstrate the interpretation of the rules of swimming. Official procedures for starting, stroke judging, turn judging, finish judging and timing are illustrated. Divers in action show numerous faults and how much each fault lowers the diver's score. (KHSAA)

Wrestling

JIU JITSU, j-s-c-a, 1 reel (13 min.), $1.00

Demonstrates the effective, dangerous Jiu Jitsu defenses against knife, gun, club and mugging attacks.

WRESTLING BY THE RULES, e-j-s-c-a, 2 reels (18 min.), color, $1.00

Devoted to rules interpretations and officiating procedures. A visual approach to the written rules is shown in sixty scenes. Guidelines for officiating such areas as takedowns, reversals, stalling, technical violations and illegal holds are presented. (KHSAA)

WRESTLING OFFICIATING ILLUSTRATED., j-s-c-a, 2 reels, color, $1.00

Interpretations given in Wrestling Officiating Illustrated have been made by the National Federation members of the Joint Rules Committee. The film covers takedowns, reversals, escapes, leaving the mat, stalling, scoring and illegal holds such as body slam, bar arm, full nelson and chicken wing. Guidelines for officiating and interpreting the rules are provided. In all there are sixty separate scenes of wrestling. This film will provide the much needed guidance and proper interpretations for interscholastic competition.

"RESPECT"

(Continued from Page One)

his job to do and each must do it. Each has pressure on him, how he reacts to this pressure is what makes a good coach, a great one and an adequate official, an outstanding one.

Each must remember that a group of young men have been placed at their disposal for a learning phase of their life that can be taught nowhere else. No place else can this athlete perform against other young men of equal ability in a game of strength, stamina, and skill. No place else can he face the competition that he will face on an athletic field. How well he adjusts from all this may well go back to what he learns from his coach or the officials he comes in contact with.

There was a time when a coach felt he had only to score more points to beat a team. Now many of them feel they must not only do this, but also must overcome the calls of the officials as well. "Looks like we're up against seven of them again tonight," is a statement often heard before a basketball game.

Not so long ago, the official felt that a coach would have complete control of the young men at his command. Now he feels that he must control 12 people instead of 10 in a basketball game. It's a shame that men fail to respect each other in this game of life. It could make everyone's job so much easier.

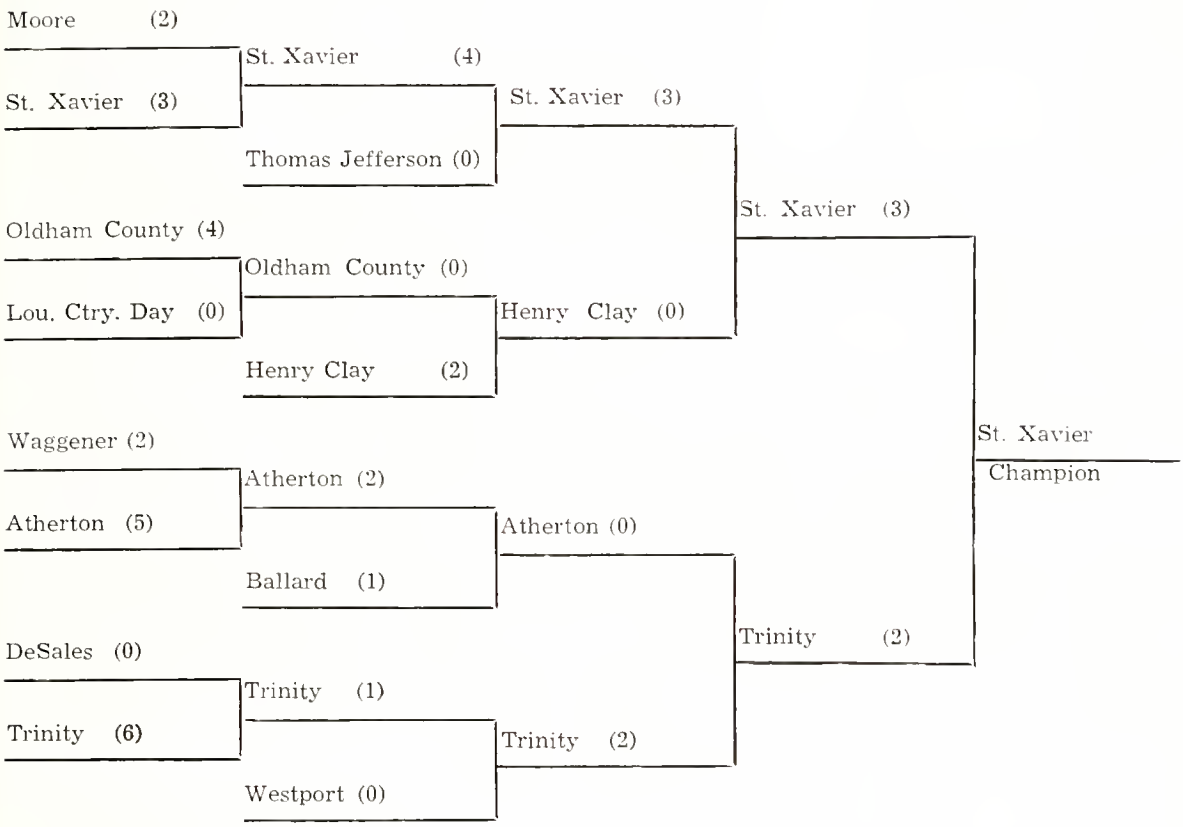
1972 STATE SOCCER CHAMPIONSHIP

Westport High School, Louisville, Kentucky

October 23-28, 1972



St. Xavier Soccer Champions

The first K.H.S.A.A. sponsored State Soccer Tournament was held at Westport High School football stadium and soccer field. Twelve teams entered the four day single elimination tournament. St. Xavier came from behind in the last period to defeat Trinity by a score of 3-2 for the championship. Bro. Johan Gegner, St. Xavier High School, is chairman of the State Soccer Committee and James Baber, Valley High School, managed the tournament for the Association. Trophies were awarded to the winner and runner-up. The following players were named to the all-tournament team: Forwards—Nick Galucci, Wayne Garney (St. Xavier), Paul Hickey, Kevin Schulz (Trinity), Urich Mauser (Atherton).

Halfbacks—Jackie Greer (Oldham County), Wade Lee (Trinity), Dave Steinbrecher (Moore).

Fullbacks—Paul Gleis (St. Xavier, John Heeb (Trinity).

Goalie—Dan Baugher (Trinity).

SINCE WE PROVIDE COVERAGE FOR ABOUT 50% OF THE SCHOOLS IN THE STATE, WE DO HAVE A COMMERCIAL INTEREST IN THE ACADEMIC AND ATHLETIC PROGRAMS OF ALL OUR SCHOOLS.

BUT OUR REAL INTEREST IS MUCH DEEPER. WE ARE VITALLY CONCERNED THAT GOOD CITIZENSHIP, A SPIRIT OF FAIR PLAY, AND A REAL SENSE OF PERSONAL RESPONSIBILITY BE INSTILLED IN THE YOUTH OF OUR DAY.

WE BELIEVE THESE ARE THE QUALITIES THAT HAVE MADE AMERICA GREAT, AND ARE THANKFUL FOR OUR SCHOOLS AS THEY WORK TO CONTINUE THAT GREATNESS.

1972-73 WRESTLING EARLY SEASON QUESTIONS

INSTALLMENT I

EDITOR'S NOTE: These interpretations of the 1972 National Alliance Wrestling Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Association in response to situations presented.

Clifford B. Fagan, Editor, National Federation Publications

1. **Situation:** In the second period of a match, A1 gasps for breath and requests a time-out which is granted. While his coach and team trainer are attending him at the side of the mat, he is given special medication to relieve his congestion. It is explained that he is asthmatic and unable to wrestle a full match without medication.
Ruling: A1 must be disqualified and the match awarded to his opponent by default. The use of special medication to relieve pre-existent conditions will cause the offending wrestler to be disqualified.
2. **Situation:** From the starting position on the mat, B1 quickly stands up and: (a) strips the hands of A1 then turns to face A1; or (b) starts toward to the edge of the mat, strips the hands of A and is more than an arm's length away with his back towards A1 as B1 goes off the mat; or (c) moves toward the edge of the mat and strips the hands of A1 just as B1 crosses the boundary line.
Ruling: In (a) B1 has escaped and will be awarded one point. In (b) it may be possible for B1 to gain an escape in this situation provided A1 does not follow up and try to maintain his advantage. If in the referee's opinion, B1 uses the boundary in order to stop wrestling after he stripped the hands of A1, there would be no change. In (c) there has been no escape and wrestling will be resumed with the contestants in the same position following the out-of-bounds.
Comment: In the definition for an escape, there is no requirement that the defensive man face his opponent following his successful attempt to break free, even though this is used as a guideline. Officials must use careful judgment in determining when the offensive man loses control of his opponent. In the vast majority of cases, the defensive man will immediately turn to face his opponent when gaining an escape.
3. **Situation:** A1 has his opponent in a pinning situation near the edge of the mat. As A1 turns the torso of B1 away from the boundary, B1 moves so that the lower part of his body is outside of the wrestling area. The supporting parts of A1 remain inbounds as do the shoulders of B1.
Ruling: Wrestling shall continue as long as the shoulders of B1 are within the inbounds area. Near-fall points may be earned in this situation. If either shoulder of B1 touches the boundary line or outside that line, wrestling will continue if there is a possibility of A1 bringing B1 back inbounds.
4. **Situation:** From a neutral position, A1 executes a duck-under and moves to a controlled rear standing position behind B1. In an effort to take B1 to the mat: (a) A1 grasps one leg of B1 so that B1 is supporting his weight on his hands and one leg as both contestants go out-of-bounds; or (b) A1 lifts both legs of B1 from the mat so that B1 is supporting his weight on his hands, beyond reaction time, outside the boundary line.
Ruling: In (a) there is no takedown. In the position described, A1 does not have control of B1. In (b) a takedown should be awarded even though the hands of B1 are outside the boundary. Wrestling shall continue provided the supporting points of A1 are inbounds.
5. **Situation:** B1 is successful of gaining a reversal while both wrestlers are near the edge of the mat and A1 is on his back attempting to avoid a pinning situation by moving out-of-bounds. B1 attempts to drive or hold A1 in the inbounds area and the supporting points of B1 are inbounds.
Ruling: Wrestling shall continue so long as the supporting points of either wrestler are inbounds. In a situation such as this, the referee shall permit wrestling to continue as long as there is the possibility of the wrestler in the advantage position keeping his opponent in the inbounds area.
Comment: In this type of situation, the referee must exercise careful judgment. If there is little or no chance of the offensive man bringing his opponent into the inbounds area or keeping him there, the referee shall declare an out-of-bounds after a reasonable length of time.
6. **Situation:** From the starting position on the mat, B1 comes from underneath and gets behind A1 in a rear standing position, after which the wrestlers stumble out-of-bounds before B1 is able to control A1 on the mat.
Ruling: B1 has gained a reversal and two points are awarded. It is not required that B1 bring A1 to the mat in order to gain two points for a reversal. A reversal may be earned while in a standing position and two points are awarded B1 as soon as he goes behind A1 in a controlled situation.
7. **Situation:** A1 controls B1 in a pinning situation and: (a) both shoulders of B1 are stopped within 3 inches of the mat; or (b) one shoulder of B1 is on the mat and the other within 30 degrees of the mat. The referee begins a visual hand count in both (a) and (b).
Ruling: When the referee begins the visual hand count, he has, in effect, announced that A1 has earned two points for a near-fall in (a) and (b). If an additional point is to be earned, A1 must control his opponent so that the criteria for a near-fall are met, uninterrupted, for 5 seconds. The referee is solely responsible for determining whether the criteria have been met for the required length of time.
Comment: While it is desirable that the visual

Attention, Principals and Superintendents

The forms to be used for ordering your tickets to the State Basketball Tournament will be mailed about mid-December. Instead of trying to get the order postmarked January 2, as indicated on the Memorandum Calendar, you may send anytime through **January 15** without loss of priority. The Board of Control will set up a seating rotation plan to be used from one year to another for distributing the tickets calling for seats in the arena. Also, this will give you additional time to prepare the order.

Delegate Assembly Members

Members of the Delegate Assembly at the forthcoming 1973 annual meeting of the Association were elected by the principals of K.H.S.A.A. member schools on ballots returned to the State Office before November 15. There were several ties in the voting for delegate and alternate. These ties were broken recently, with the delegates and alternates determined by lot. The names of the district representatives are as follows:

Delegates

(1) James H. Phillips, (2) Joseph K. Estes, (3) C. W. Jones, (4) Bobby G. Miller, (5) Charles T. Elder, (6) William H. Womack, (7) Caldwell Smith, (8) Mac Arthur, (9) Virgil H. Sublett, (10) Jack L. 1972-73 Wrestling Early Season Questions

(Continued from Page One)

hand count be used, it is acknowledged that there are some situations in which the referee will be unable to so signal because of the necessity for him to move quickly from one side of the wrestlers to the other, in order to be in a position to observe that the criteria are being met. Under these conditions, the referee will be unable to start the visual hand count thus indicating that two points have been earned and that the offensive man is working for a three point near-fall.

8. **Situation:** In assuming the starting position on the mat, defensive wrestler B1 places his hands in front of the forward starting line and his knees behind but in contact with the rear starting line and: (a) his lower legs are parallel and in line with the long axis of his body; or (b) his feet are touching behind him so that his lower legs angle in from the point of contract of the knees on the mat. A1, in assuming his position to the left side of B1 and in (a), places his left knee on the mat to the outside of the lower leg of B1 with his right foot on the mat between the lower legs of B1. In (b) A1, on the left side of B1, places his left knee on the mat behind B1, but not contacting the lower leg of B1 and his right foot on the mat behind the feet of B1, but beyond the right side of B1.

Ruling: The position of A1 in (a) is illegal due to the placement of his right foot. The foot may be behind B1 but must be behind the line described by the feet of B1. In (b) the position of A1 is legal. A1 must have one knee or foot on the mat to the outside of the near leg, but not touching the defensive wrestler. In the position described in (b), even though A1 is behind B1, the position is legal since it meets the requirements of the rule.

9. **Situation:** From a neutral position, A1 is successful in gaining control of one leg of B1. B1 counters with a cross-face and A1 is unable to successfully gain a takedown. How long should wrestling continue?

Ruling: When it is apparent to the referee that neither wrestler can improve his position, he shall, **as soon as possible,** stop the match and re-start it in a neutral position. A stalemate shall be called as soon as it is recognized that neither wrestler is able to progress in his attempt to escape or to control his opponent.

10. **Situation:** B1 has attempted several times to reverse his opponent by switching and each time he trys, A1 blocks the maneuver by locking his hands around the near leg of B1 causing a stalemate situation. After calling a stalemate on 2 or more occasions because of this maneuver, the referee warns the offensive wrestler for stalling.

Ruling: Continually grasping or interlocking the hands around one leg resulting in a stalemate situation is a type of stalling. The offender is to be warned if he has not previously had such a warning for this offense. If previously warned, he will be penalized for stalling.

11. **Situation:** A1 who has a certified weight of 132 pounds, weighs in for a dual meet at 134. He is an outstanding wrestler and his coach has assigned him to replace an injured contestant in the 155 pound class.

Ruling: A1 will not be permitted to wrestle in the 155 pound class. A contestant may not wrestle more than one weight class above his actual stripped weight at the time of the weigh-in. In this instance, A1 could wrestle either at 138 or 145 pounds, but in no other weight class.

12. **Situation:** For a dual meet, there is to be a preliminary meet followed immediately by the varsity competition. The preliminary meet is scheduled to begin at 6:30 p.m. and the coaches agree that all wrestlers, including varsity competitors, will weigh in from 5:30 to 6:00 p.m. A varsity wrestler at 155 pounds is overweight and requests permission to weigh in one hour before the varsity meet in order to have time to make weight.

Ruling: This request will be denied. All wrestlers from both teams are required to weigh in during the thirty-minute period between 5:30 and 6:00 p.m. Wrestlers who cannot make weight during that period may not participate in that dual meet.

13. **Situation:** Prior to a dual meet, both coaches agree to vary the order of competition by permitting the visiting team wrestler at each weight class to draw a match number from a hat at the time of weigh-in. During competition, the coach of B wishes to change the order of competition.

Ruling: This is not permissible. It is recommended that the order in which weight classes are to be wrestled be varied by some method. Once it is agreed that the classes are to be varied, that order must be followed without exception in conducting the meet.

14. **Situation:** From the starting position on the mat, B1 quickly stands and A1 locks his hands around the waist of B1 in an attempt to bring him to the mat. B1, who is standing: (a) flat footed; or (b) on his toes, has his hands on the mat to help support his weight.

Ruling: In (a) A1 is not required to release his locked hands because B1 has his weight on his feet and is not considered to be on the mat. The fact that he touches his hands to the mat does not qualify him as being on the mat and, therefore, A1 may legally lock his hands. In (b) if it is determined that B1 is supporting the majority of his weight on his hands, he is technically on the mat and following reaction time A1 must release his locked hands. Continuing to lock his hands after more than reaction time has elapsed, will constitute a technical violation by A1.

15. **Situation:** On the mat, A1 breaks B1 down. A1 applies an arm hook which is turned into a twisting hammerlock and B1 is injured before the referee can stop the hold. B1 requests and is granted an injury time-out. After 1 minute and 30 seconds, B1 declares that he is ready to resume wrestling. Later in the match: (a) B1 again requests time-out because of the previous injury; or (b) is again injured from an illegal hold which was applied by A1.

Ruling: The time-out following the first illegal hold by A1 is not deducted from the injury time to which B1 is entitled. In (a) the time used by B1 will be deducted from the allotted three-minute injury time to which B1 is entitled. In (b) because B1 was again injured by a different illegal hold, he is entitled to time-out for injury which will not be deducted from his injury time. When a wrestler is injured by an illegal hold, he must decide whether he can continue to wrestle within the three-minute time-out period. If he decides to continue to wrestle, he may not thereafter claim that injury from that particular illegal hold caused him to discontinue the match. If he decides that he is unable to continue following the illegal hold, the match will be awarded to him by default.

16. **Situation:** In assuming the starting position on the mat: (a) B1 changes his position just as A1 is taking his offensive position; or (b) A1 continues to adjust equipment after the referee indicates both wrestlers should assume their starting positions.

Ruling: In (a) and (b) following a verbal caution, the wrestler using such tactics or similar delaying maneuvers will be penalized for delay of match. This is a technical violation which is not preceded by a warning.

Comment: The verbal caution by the referee is required. This may take several forms. For instance, when the referee directs the contestants to assume their starting positions without delay, it is a type of caution. He may indicate to the offending wrestler that he is expected to assume the starting position immediately and remain stationary until the signal is given to start the match. The verbal caution is not intended to be a threat to the wrestlers, but simply a reminder that they have an obligation to assume their starting positions and to be ready to wrestle on the whistle.

17. **Situation:** At the end of a close match, the score is tied and the referee directs both wrestlers to go to their respective areas on the 10-foot circle. The wrestlers comply and the referee moves to the official's table to check the score. It is determined that: (a) A1 has a net time advantage of 1 minute and 8 seconds; or (b) one point which was awarded A1 because of an illegal hold by B1 was not credited on the scoreboard. In either case, the match is awarded to A1 and B1 reacts by throwing his headgear and cursing.

Ruling: This is an example of flagrant unsportsmanlike conduct on the part of B1. He will be penalized by the deduction of one point from his team's score. There is no warning prior to this penalty.

18. **Situation:** At the end of a closely contested match, the referee directs both contestants to go to their respective red and green areas on the 10-foot circle. As the referee moves to the official's table, A1 goes to the team bench to confer with his coach.

Ruling: This is a technical violation by A1 for leaving the mat without permission. He will be penalized and B1 awarded one point even though time for the match has expired. The match is not ended until the outcome is declared.

1972-73 WRESTLING EARLY SEASON QUESTIONS INSTALLMENT II

EDITOR'S NOTE: These interpretations of the 1972 National Alliance Wrestling Rules do not set aside nor modify any rule. They are made and published by the National Federation of State High School Association in response to situations presented.

Clifford B. Fagan, Editor, National Federation Publications

19. **Situation:** Wrestler A1 has lost his arm just above the elbow. In assuming the starting position on the mat, he lines up so that: (a) a portion of the amputated arm is on the defensive man's back and the other hand legally placed on the near elbow; or (b) he places his good arm around the opponent's body with the palm of his hand resting on the navel of B1 and the portion of the amputated arm toward but not touching the near elbow.

Ruling: The position of A1 in both (a) and (b) is legal. The only reason for which A1 does not fully comply with the offensive starting position is that he is unable to do so because of the amputation. There is no special restriction with regard to assuming a starting position on the mat for A1.

20. **Situation.** In the starting position on the mat, B1 assumes his position with his knees on the mat, approximately shoulder-width apart, and his feet together behind him so that his lower legs are at an angle to the plane of his side. A1 takes his position with one knee on the mat near but not touching the lower left leg of B1 and his right knee on the mat to the outside of the lower right leg of B1 but behind the line of the feet of B1 so that he is in a position directly behind B1.

Ruling: This is a legal position by A1. The line describing the near side of B1 is determined by the plane of the near lower leg. A1 is privileged to have one or both knees on the mat, and A1 may have one foot or knee to the rear of B1 provided it is behind the line described by the feet of B1.

Comment: Once B1 has assumed his starting position on the mat, he may not change it. A1 is not required to take his position until B1 has assumed his position. In the foregoing situation, B1 may avoid having A1 assume his position directly behind him by simply adjusting his lower leg in assuming the starting position. If the lower legs of B1 are parallel, A1 is required to have his knee or foot on the mat to the outside of the lower near leg. This would prevent A1 from moving behind B1.

21. **Situation.** Following an out-of-bounds, A1 is in the advantage position and straggles back to the center of the mat and adjusts his equipment in an attempt to gain a momentary rest. He has not previously received a verbal caution in the starting position. The referee declares this delaying the match, and awards one match point to B1.

Ruling: The verbal caution prior to penalizing for a technical violation applies only to the starting position. In this situation, it is a technical violation by A1, and there is no verbal caution required.

22. **Situation:** From the starting position on the mat, B1 starts to stand up. While he is supporting his weight on his hands and toes, A1 locks his hands around the knees of B1, lifting the feet of B1 from the mat and driving his shoulder so that B1 is forced to the mat. During this action, which in the judgment of the referee constituted unnecessary roughness, B1 was injured and is unable to continue.

Ruling: If, in the referee's judgment, the injury was the result of unnecessary roughness by A1, the match may be awarded to B1 by default. Injury from unnecessary roughness or an illegal hold which prohibits a wrestler from continuing results in a default for the offended wrestler.

23. **Situation:** A1 is injured by an illegal hold during the first period and is granted a time-out. After 1 minute and 20 seconds, he states he is ready to wrestle. In the second period, he is again injured by an illegal hold and: (a) he cannot continue; or (b) he states that he is ready to go after two minutes and then later requests a time-out for the same injury.

Ruling: Each wrestler is entitled to a 3-minute time-out period for each injury caused by an illegal hold. The time consumed does not count against the injured wrestler's injury time-out allowance. In (a), A1 will be awarded the match by default, since he is unable to continue following injury from an illegal hold. In (b), A1 is entitled to the injury time used and it is not deducted from his 3-minute allowance because the injury was caused by an illegal hold. However, the time used for his third request will be deducted since there was no separate injury.

24. **Situation:** During a time-out for injury, team attendants use a paper bag as a means to hyperventilate wrestler A1.

Ruling: This is permissible. The use of a paper bag for this purpose is not considered to be special medication. It is using an artificial aid which is comparable to administering refreshment during the time-out period. There is no prohibition concerning it.

25. **Situation:** For a dual meet, both coaches weigh in two men for the 126 pound class and two men for the 138 pound class. At the completion of the 119 pound class, B1 who is qualified for the 126 pound class, begins removing his warm-up and moves toward the mat. The home coach sends A1 to the mat. Thereupon, the coach of B recalls B1 and sends B2 onto the mat. The coach of A wishes to counter by recalling A1 and sending out A2.

Ruling: The maneuver by the coach of B is permissible. The home team is required to send its delegate to the mat first and once he is there, he may not be replaced. Even though the visiting team has a representative appearing to go to the mat, he may be withdrawn and replaced by another wrestler who weighed-in for the weight class. In this situation A1 will wrestle B2.

Approved and Certified Officials

A large number of K.H.S.A.A. registered officials qualified for the advanced rating of Approved and Certified as a result of the National Federation basketball examination which was given in Kentucky on December 4, 1972. Only officials receiving these higher ratings are eligible to work in the district and regional tournaments. Only Certified officials are eligible to work in the State Tournament.

Basketball officials who qualified for advanced ratings during the current season are as follows:

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Kentucky High School Athletic Association building, Lexington, on Friday afternoon, December 15, 1972. The meeting was called to order by President Richard Vincent at 1:00 P.M., with Board members Zeb Blankenship, J. C. Cantrell, William C. Doan, Andrew J. Fultz, Arthur Hawkins, Louie Martin, W. P. Wheeler and Roy Winchester; Commissioner J. B. Mansfield and Assistant Commissioners Tom Mills, Louis Stout and Billy Wise were present. The invocation was given by J. C. Cantrell.

Mr. Vincent stated that since members of the Board had received minutes of the October Board meeting he would waive the reading of the minutes.

Assistant Commissioner Tom Mills reported that the 1972 football championship playoffs were successful. Total receipts of the final games were $42,969.00 with approximately $8,100.00 in expenses. The expenses did not include the Board Grant for incidental expenses.

There was a discussion concerning the amount of money for incidental expenses which should be allotted to each of the six finalists in the football playoffs. W. P. Wheeler moved, seconded by Bill Doan, that each finalist in the football playoffs be awarded a grant of $800.00 for incidental expenses. This is in accordance with Item IV, Section C, of the Rules and Regulations Governing Football Championship. The motion carried unanimously.

Mr. Mansfield read a letter from the principal and athletic director of Bishop David High School requesting that Bishop David be changed from Class AAA, Region I, District 1, to Class AAA, Region II, District 1. Following a report by Board member J. C. Cantrell on the subject, Commissioner Mansfield read a letter from the Jefferson County Activities Conference in opposition to the change. Following a lengthly discussion, the Board declined to take action on the request of Bishop David.

The Commissioner then presented a letter of request from Mr. J. B. Moore, Principal of Madison Central High School for re-assignment in football from Class AA, Region III, District 2, to Class AA, Region II, District 2. Following a detailed discussion Zeb Blankenship moved that the request be granted. W. P. Wheeler seconded the motion. The motion failed by a vote of 5 to 3.

Commissioner Mansfield presented the eligibility case of Dexter Ragan, a student who had transferred from Covington Holmes to Covington Catholic. After hearing the facts in the case, the Board declined to take action.

The case of the eligibility of Jeffrey Joe Wilson of Mayfield High School was reopened due to additional information being available which the Commissioner felt had a bearing on the case. President Vincent read the report of Assistant Commissioner Billy Wise, which was made following further investigation by Mr. Wise. After considerable discussion and based upon the report presented by Mr. Wise, J. C. Cantrell moved that Jeffrey Joe Wilson be declared immediately eligible to participate in sports at Mayfield High School. The motion was seconded by Jack Fultz. All members voted aye.

The next item of business was setting the fee for tournament officials. Commissioner Mansfield recommended the following: $25.00 for District officials; $30.00 for Regional officials and $35.00 for State Tournament officals. In addition to this, officials would be paid 10¢ per mile for travel expense and $10.00 should they be required to stay over night. W. P. Wheeler moved, seconded by William C. Doan, that the recommendation of the Commissioner be approved. The motion was carried unanimously.

Following a discussion on the fee schedule for radio and television coverage for the semi-finals and finals of the 1973 State Basketball Tournament, J. C. Cantrell made the motion that the Commissioner be authorized by the Board of Control to set a fee schedule for radio and television coverage and enter into contracts with interested stations for the semi-finals and finals of the 1973 Kentucky State High School Basketball Tournament and that the schedule shall be in line with current operating costs. Roy L. Winchester seconded the motion and all members voted aye.

A discussion on the problems involved in the distribution and sale of State Tournament tickets to the schools followed. It was recommended by the Board that each member school receive its two free sets of tickets calling for seats in the arena and that each superintendent receive one set free

and be allowed to purchase an additional set. This will be the first priority and will fill all the seats below the box seats. The next priority would allow each school and each superintendent to buy two sets of tickets immediately behind the box seats. After this each school will be sold two sets of tickets for each sport maintained during 1971-72 and each superintendent may purchase four sets. Each school and each superintendent may purchase two side box seats as long as the supply lasts.

The Commissioner was authorized to continue with the present plan of housing basketball teams and cheerleaders at the State Basketball Tournament. They are lodged at various motels in the area.

At this point, Dr. Robert McLeod, Chairman of the Board of Trustees of the Kentucky Medical Association, spoke briefly to the Board on ways the Medical Association could help the High School Athletic program improve medical care given the high school athlete. Following his report, he answered questions from members of the Board. Mr. Vincent thanked him for coming and assured him that this problem would be discussed at future meetings. Dr. McLeod agreed to present the Board with literature on this program for study. He thanked the Board for their time and excused himself from the meeting.

Upon a motion by Andrew Fultz and a second by Arthur Hawkins, it was the unanimous decision of the Board to set the State Gymnastic Meet at Moore High School on February 24, 1973.

Tom Mills reported the results of a recent questionnaire sent to the principals of member schools concerning girls' basketball. The vote was 155 in favor and 107 opposed. No action was taken by the Board at this time as several schools had not returned their cards.

The next meeting of the Board of Control was scheduled for Friday, January 26, 1973, at 9:30 A.M. in Louisville.

Roy L. Winchester moved, seconded by Jack Fultz, that all bills of the Association for the period beginning October 1, 1972, and ending November 30, 1972, be allowed. The motion was carried unanimously.

There being no further business, the meeting adjourned.

1972-73 Wrestling Early Season Questions

(Continued from Page One)

interscholastic tournament, Coach A announces that he wishes to move wrestler A3, who weighed-in for the 112 pound class to the 119 pound weight class and designate another wrestler to compete at 112 pounds.

Ruling: This is not permitted. The wrestler may be moved up one weight class in a tournament, provided this is done previous to or at the time of the weigh-in. Following the weigh-in, no substitutions may be made.

27. **Situation:** At the time of the weigh-in for a tournament, it is noticed that one of the wrestlers has an infectious skin condition. Upon examination, the tournament physician decides the condition might impair the health of other wrestlers and therefore disqualifies the contestant.

Ruling: This is proper procedure and illustrates one of the reasons for recommending that a physician be present during the weigh-in for tournaments.

28. **Situation.** During a tournament match, the coach and manager of team A occupy the chairs reserved for such use in the restricted area. As the match, which is closely contested, progresses, the assistant coach of team A moves into this area. When he notices this, the referee notifies the coach of A that only two persons may be in the restricted area. There is no movement on the part of any of the three team attendants to vacate the area as the referee returns to the center of the mat to re-start the match.

Ruling: This constitutes unsportsmanlike conduct and the referee will deduct one team point from team A's score. There is no warning prior to this penalty. The rules clearly explain that only two attendants may be in the restricted area during tournament competition. Failure to comply with the referee's instructions constitutes unsportsmanlike conduct.

29. **Situation:** In a tournament, B1 is completely outclassed by A1 during the regular match, but B1 earns a draw by executing a reversal and gaining a near-fall within the last 10 seconds. A1 did not perform well during the overtime. The score is again tied at the end of the overtime period. In the opinion of the referee, B1 was the aggressor during the overtime, even though A1 was outstanding and exhibited better overall abilities during the match.

Ruling: If B1 were the aggressor during the overtime and there were a tie in points at the end of this period, the match should be awarded to B1. The wrestler who has shown superior wrestling ability during the overtime period is to be declared the winner. Performance during the regular match has no bearing upon the overtime decision.

30. **Situation:** During a tournament, team A expresses a desire to: (a) film matches using 16mm movie film; or (b) video tape. The coach of team A explains that he wishes to record the action of his wrestlers for review during practice the following week.

Ruling: Except as authorized by individual state high school associations, filming tournament

matches is prohibited in both (a) and (b). In the situation described, the state high school association would probably authorize such filming because it is not to be used for coaching purposes during the tournament in progress.

31. **Situation:** During a tournament, mat judges are being used in the championship finals. At the end of the championship match at one weight, the score is tied, and an overtime is necessitated. Is it required that two judges be assigned to observe the overtime?

Ruling: No, the mat judges will serve as overtime judges. These men will serve in the dual capacity during the overtime.

Comment: When mat judges are being used during tournament championship or consolation championship matches they will serve as judges during overtimes to assist the referee in determining superior wrestling ability, should the overtime end in a tie. These men will also assist the referee in administering the rules during the overtime. However, when mat judges are not being used and an overtime requires the use of judges, these men do not have authority to serve as mat judges. Their responsibility is limited only to judging the overtime. In this situation, they do not have authority to assist the referee in the administration of the rules.

32. **Situation:** During a tournament in which mat judges are being used, those judges remain seated opposite the red and green arcs and near the edge of the mat.

Ruling: The positions described are proper when beginning the match. However, in order to best

accomplish their purpose, the mat judges are authorized, in fact, encouraged to move along the mat edge in order to observe significant action. The use of mat judges is designed to minimize human error and assist the referee. It is not possible for mat judges to observe all of the action when seated in one spot. Mat judges are not authorized to be in the inbounds area during the match.

33. **Situation:** During a tournament match in the quarter-finals, there is a flurry of action in the first period and the referee awards A1 a takedown. The scorer inadvertently gives the 2 points to B1. At the end of the first period, B1 wins the choice for position and, seeing that he is ahead in points, decides to take the advantage position. During the second period, B1 earns a 2-point near-fall and A1 gains a reversal. As the third period begins, the referee's attention is called to the scoring. As he reviews the score card, he detects the error and corrects it changing the score to 4 for A1 and 2 for B1. During the third period, there is no score by either wrestler and A1 is declared the winner. Following the match, the coach of B contends that B1 was placed at a disadvantage and, because of the error, his strategy was different from what it would have been had he been behind in score the first period.

Ruling: The referee followed proper procedure in correcting the error and changing the score as he did. When an error occurs during a match, the referee is required to make corrections when the error is discovered. The error must be corrected prior to the time of the wrestlers leaving the mat area.

34. **Situation:** At the end of a tournament match, the score is 7-6, and A1 is declared the winner. While reviewing the score card with B1 in the locker room, the coach of B discovers that only 2 points were awarded for a near-fall earned by B1 in the second period, when there should have been 3 points awarded. This fact is acknowledged by the referee. The change in points would result in a draw.

Ruling: Since the wrestlers had left the mat area, no correction may be made.

35. **Situation:** During a match, A1 has been warned for stalling. He is ahead in points in the third period and while in the advantage position: (a) makes no attempt to work up and pin his opponent; or (b) releases B1 and as B1 attempts to take him down, A1 steps out-of-bounds.

Ruling: In (a) it is stalling by A1. Since A1 has previously been warned, the referee is required to penalize him for stalling without hesitation. In (b) A1 will be penalized for going off the mat.

Comment: It is stalling when, in the advantage position, the contestant makes no attempt to secure a fall. Both contestants are required to wrestle aggressively whether in the advantage, defensive or neutral position. Failure to penalize for this infraction puts the offended wrestler at a disadvantage.

36. **Situation:** During the first period, A1 is penalized for using an illegal hold. In the second period, he is penalized for a technical violation and later warned for stalling. In the third period, he is penalized for unsportsmanlike conduct and one team point is deducted.

Ruling: B1 is awarded one point for the illegal hold and one point for the technical violation. The deduction of one team point for the unsportsmanlike conduct is the correct penalty. Penalties for abusive and/or unsportsmanlike conduct, as well as flagrant misconduct do not accumulate with penalties for other infractions.

Letter From The Commissioner

To The District Tournament Manager:

Will you please refer to your K.H.S.A.A. booklet which gives rules and regulations governing basketball tournaments. You should familiarize yourself with these rules, found on pages 31-39. Your special attention is called to the second paragraph of Tournament Rule VI-A-3, relative to the enrollment of your district coaches in the Kentucky High School Coaches Association.

The forms for your various reports are self-explanatory. The report of games should be mailed to the manager of the regional tournament not later than Monday, March 5. Send your financial report, your checked eligibility lists, and the second copy of the report of games to the Commissioner as soon after the tournament as possible. For your convenience, the following check list is given:

1. Invite member schools to your tournament AT ONCE, reminding each school to send each other member school in the district a COMPLETE preliminary list of players on or before February 1, and to send you THREE copies of a final list one week prior to the district tournament. See Rule VIII.

2. Announce the time of drawings in your letter. See Rule IX.

3. In compliance with the Federal Court Decree, all officials will be assigned by the Commission, composed of the Commissioner and the three assistants. In order that this may be carried out it will be necessary for each manager to send a copy of the bracket giving the date and time of each game to the Commissioner immediately after the drawing. After the Commission has made its selections, you will be notified concerning the assignments to your tournament. **It will be your responsibility to make the necessary contacts with the officials.**

In tournaments where two games are played per session, four officials will be assigned.

4. The following regulations for 1973 have been set by the Board: "The official shall receive a fee of $25.00 per game and a transportation allowance of 10c per mile for all necessary travel. Only one mileage allowance will be paid if the officials travel in the same car. In the event it is necessary for the official to remain overnight at the tournament site, he **shall** be paid an additional $20.00 per day for lodging and meals."

5. Tournament Rule XV says: "The Board of Control is authorized to select, standardize, and purchase trophies for all district and regional tournaments and the cost of these trophies shall be borne by the respective districts and regions." The Board has contracted with Riherd's Sport Shop, Glasgow, Kentucky, to supply all of the official K.H.S.A.A. district first place and second place basketball trophies for the 1973 tournaments. each trophy complete with the Association seal and engraving. Your trophies will be shipped to you prior to March 1.

6. It is the responsibility of the tournament manager to secure adequate police protection.

7. THE BOARD OF CONTROL HAS RULED THAT NOT MORE THAN TWELVE PLAYERS MAY BE IN UNIFORM FOR ANY ONE TOURNAMENT GAME, AND THAT OTHER SQUAD MEMBERS SHALL NOT BE ALLOWED TO PARTICIPATE IN WARM-UP EXERCISES, THIS IMPLIED IN TOURNAMENT RULE XI.

8. Please ask your officials to designate the goals prior to the warm-up time for each game.

9. You will receive three copies of a final eligibility list from each school. Have one of these checked by the coach of each competing team, before his team plays, for the twelve players he will use in each game. Use only one list for checking players on each team since the other two copies may be needed by the regional and state tournament managers. Send the Commissioner all of these checked copies with your other reports. Send the two unchecked copies of eligibility lists of the winner and runner-up to the manager of your regional tournament, along with one copy of your report of games, not later than March 5.

10. It has been ruled that the 2:00 o'clock mentioned in Tournament Rule IV-B may be considered Eastern Standard time or 1:00 P.M. CENTRAL STANDARD TIME. This information concerning the starting time of the regional meeting should be given to your winner and runner-up.

11. Send Secretary Ohr of the Kentucky Coaches Association the list of district coaches to be enrolled in his organization and remittance for these, and send the Commissioner the various reports mentioned above as soon as possible.

12. Tournament Rule VI-A-3 provides that the district representative to the annual meeting may be allowed for expenses an amount not to exceed $75.00. Since this is a maximum and not necessarily a fixed amount, the delegate should be asked to submit an estimate of the cost of his lodging, transportation, and meals because of his representing the district at the annual meeting.

Sincerely yours,
J. B. Mansfield
Commissioner

Synopsis of Major Activity Of The 1973 National Alliance Football Rules Committee

NOTE: This is a brief summary of the more important modifications to the football rules authorized by the National Alliance Rules Committee during its 1973 meeting.

CHECK-UP ON THE 1972 CODE:

QUESTIONNARIES for the purpose of determining the acceptance of the committee's action in 1972 and for securing an evaluation of proposed changes were mailed to coaches and officials through the state high school association offices, and the National Association of Intercollegiate Athletics Headquarters. Approximately 19,000 of the forms were distributed and in excess of 8,500 were returned and tabulated. The complete minutes will contain a summary of the vote on each of the listed items and a tabulation of the significant comments which were requested on the back of the questionnaire.

THE RETURNS INDICATED AN EXCEEDING HIGH DEGREE OF SATISFACTION with with the changes which were made for the 1972 season. Requiring the placement of flags or pylons at the intersections of the endlines and the sidelines in addition to those previously required was favored by a margin of 7 to 1. The smallest of acceptance of any changes was in regard to authorizing the use of measuring devices other than the yardage chain for fixing the line-to-gain and measuring the distance the ball has been advanced. Indicating approval were 5,169 respondents, while 2,237 opposed the change. It is believed that this margin of 2 to 1 was small because many of those responding were not familiar with other than the traditional equipment. Only one type of equipment had been approved by the committee's secretary. Defining a valid fair catch signal as extending and waving one hand only at full arm's length above the head was favored by 5,804 while being opposed by 2,130. This margin of ¾ to 1 was significant in that there were a large number of comments indicating dissatisfaction with the change. Many of those commenting wished to return to the former fair catch signal. It is significant to note that, in those instances in which the results of the questionnaire were broken down according to coach or official, the officials heavily supported the rule. This indicates that the change was an aid in game administration. Favoring the change providing the down will be replayed if the whistle is inadvertantly sounded during a kick or while a forward pass is in flight were 6,962, while 1,288 noted some disapproval. By a margin of nearly 9 to 1, the change authorizing the covering official to stop the clock after he declares the ball dead when it appears to have reached the line-to-gain was favored. This was the greatest degree of acceptance of any of the changes and reflects the desire of coaches and officials, as noted in the 1972 questionnaire. Permitting the team to put the ball in play by either a snap or a free-kick for the replayed down if a foul occurred prior to any change of team possession following a fair catch or an awarded fair catch was favored by 6,386 respondents and opposed by 1,036. A very large margin, nearly 3 to 1, favored the revision prohibiting a blocker who is not in the free-blocking zone at the time of the snap, from blocking an opponent below the waist in the six-yard belt extending from sideline to sideline, if the block were toward the spot from which the snap was made. This change was acceptable and did not reduce the effectiveness of offenses using the so-called crack-back block, if the block was made legally above the waist. Permitting more than one coach to confer with one player during a charged time-out or intermission between periods was approved by slightly more than a 6 to 1 margin. This permissiveness was evidently not abused during the year. Providing that it is a double foul only if both teams commit fouls during the same live ball period and specifying that all dead ball fouls be penalized were both favored by a very large margin. The overwhelming acceptance of rules changes was taken as a vote of confidence in the National Alliance Football Rules Committee.

IN PART II, those items which were considered to be major problems were indicated. About one-fourth of those responding to the questionnaire indicated player contact after the whistle is sounded to end the down was a major problem. The next most frequently noted problem was the increase in injuries resulting when the tackler uses his helmet to stun an opponent. This act is spearing. The enforcement of the requirement that coaches and squad members remain in the team boxes was indicated as a considerable problem. Nearly 1,400 respondents indicated that the use of the head by offensive men during blocking was of concern while 1,106 noted the increased use of the forearm and hand pads. The use of the down-field block below the waist contributing to injury was checked by 991, while 766 believe the bump-and-run technique during defensive pass coverage was a matter which needed study. Throwing the cap to mark the spot of the first touching was believed to be a problem according to 616 respondants. The majority of the problem areas could be eliminated through the proper application of the National Alliance Rules. It was taken as an indictment of the efficiency of officiating that many of these areas were indicated as problems. Because of this, it was suggested that rules interpreters conducting meetings for officials spend time during their meetings to call attention to these problem areas and suggest means of eliminating them. Of the eight items included in this section of the questionnaire, only two, the first and last, are not fouls. It is the responsibility of those who train and supervise officials to provide adequate instruction of supervision and evaluation to insure the development of a greater degree of compliance in these problem areas.

COMMITTEE REPORTS:

THE NATIONAL FEDERATION office receives numerous suggestions for revisions of the National Alliance Football Code every year. The majority of suggestions, naturally, are received during the football season. Each recommendation,

Attention, Athletic Directors

The Kentucky High School Athletic Directors Association will hold its First Annual State-Wide Meeting on April 12, 1973 at some yet-to-be designated high school in Louisville. As soon as we establish at what particular high school, we will inform each Athletic Director by mail.

It was my privilege to attend The National Federation's Third Annual National Conference of High School Directors of Athletics Meeting. This meeting was held in Denver, Colorado, December 10 thru December 13, 1972. At this meeting, various subjects were covered, all of which were current topics relative to Athletic Directors' problems (and some solutions) which exist throughout our profession. With your permission I will be glad to summarize the high points as I saw them at The Louisville Conference.

On January 12 thru January 15, 1973, I also attended a National Association Executive Committee Members Meeting held in Washington, D. C. Here again major Athletic Directors problems (and some solutions) were discussed and again I will gladly inform everyone that attends our State Association Meeting on April 12, about what was discussed in Washington.

We are becoming much more professional throughout America in our positions. We have a long way to go but by helping ourselves through State and Sectional meetings we can become a tremendous asset to the total athletic complex throughout our country. We hope to see you on April 12. You will receive an agenda and pertinent information concerning our proposed meeting at a later date.

If you are an Athletic Director at your particular school (Junior and/or Senior High School) you can join this up and coming professional organization by sending a $5.00 check to: Andy Hopkins, President, Kentucky High School Athletic Directors Assn., 400 Lafayette Parkway, Lexington, Kentucky 40502.

Make check payable to Kentucky High School Athletic Directors Association.

Upon receipt of your $5.00 dues, I will send you a Kentucky High School Athletic Directors' Membership card.

We invite you to join a growing worthwhile professional organization today.

The spring meeting of the Kentucky High School Athletic Directors Association will be held at St. Xavier High School from 1:00 to 3:00 P. M. on April 12, 1973.

Andy Hopkins, President

K.H.S.A.D.A.

(As Commissioner I hope you will see fit to lend support to this organization by becoming a member and attending the meetings. By contributing your experiences, we may all benefit and help in making a better athletic program for all Kentucky.)

Regulations On Recruiting

In order to protect the future eligibility status of high school student-athletes who are prospective intercollegiate student-athletes, we are furnishing the following information for your assistance and guidance.

It is our desire that the information given below will be presented to all who are concerned with and have an interest in the protection of the future eligibility of high school athletes who desire to participate in intercollegiate athletics.

This information is not intended to cover every situation, so if you have any questions contact the Southeastern Conference Office, Suite 1214 Central Bank Building, Birmingham, Ala. 35233, telephone 322-4641.

I. A student-athlete could become permanently ineligible for intercollegiate athletics if he is found in violation of any of the following NCAA and SEC regulations:
   - A. He takes or has taken pay, or has accepted the promise of pay for participation in athletics, or
   - B. He has agreed, in any manner, to compete in professional athletics, or to negotiate a professional contract, or
   - C. He has directly or indirectly used his athletic skill for pay in any form; however, a student-athlete may accept scholarships or educational grants-in-aid from his institution which do not conflict with the governing legislation of this Association.
   - D. He has signed a professional commitment of any type.
   - E. He has received pay for play, directly or indirectly, in any form.
   - F. He agrees to be represented by an agent or organization to market his athletic ability.
   - G. He permits or accepts remuneration for the use of his name or picture to advertise a commercial product.
   - H. He accepts any special arrangements designed to provide him extra benefits not made available to the student body in general.
   - I. He receives any financial aid from any source other than the collegiate institution or persons on whom he may be naturally or legally dependent for support.
   - J. He receives summer or vacation employment for which a higher scale of pay is received than by other employees doing the same type of work.
   - K. He receives any award of money, gifts or promises of gifts equivalent to money, or lavish entertainment by

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at the Ramada Inn, Louisville, on Friday morning, January 26, 1973. The meeting was called to order by President Richard Vincent at 9:30 with all Board members, Commissioner J. B. Mansfield, Assistant Commissioners Tom Mills and Billy Wise present. Mr. Wilbur Smith of the State Department of Education was also in attendance. The invocation was given by J. C. Cantrell.

Roy Winchester moved, seconded by Louie Martin, that the reading of the minutes of the December meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

Frank Simpson was called upon to give the report of the Committee on Constitution and By-Laws. Members of this committee are Chairman Frank Simpson, James McAfee, Lloyd Sharp, Eli Alexander and President Richard Vincent. Mr. Simpson explained that the committee had worked long and hard to come up with their recommendations. He stated that few changes were recommended but that several requests for clarification were made. Following the discussion by Board members on each of the items presented, Mr. Simpson moved that the Board present the recommendations of the Committee on Constitution and By-Laws to the Delegate Assembly for their action. Jack Fultz seconded the motion. All members voted aye.

Mr. Mansfield presented Mr. Richard Lee Gentry, Chairman of the Professional Preparation Project Committee of KAHPER. Mr. Gentry explained that there is a trend at both the National and State level for the establishment of a program of certification for coaches. He stated that his Committee feels that Kentucky should join forces in an effort to establish a program for coaches on a higher educational level. Following his report, he answered questions from members of the Board. Mr. Vincent then thanked him for coming before the Board and assured him that his recommendation would be considered. Mr. Gentry thanked the Board for their time and excused himself from the meeting.

Upon the departure of Mr. Gentry, Dr. Robert N. McLeod, Jr., M.D., Chairman, Board of Trustees, Kentucky Medical Association, came before the Board and presented them with written material on reasons why a local board of education

should contract with a physician to be on call to provide medical services for practice and games in all contact sports. This is information which the Board members had requested at an earlier meeting. Dr. McLeod presented sample copies of contracts which could be used between Boards of Education and physicians. Following his presentation and questions from Board Members, Mr. Vincent thanked Dr. McLeod for his time and interest in the welfare and safety of the athletes of Kentucky. Dr. McLeod thanked the Board and requested that they give serious consideration to the problem of proper medical care for our athletes and departed.

Jack Fultz moved, seconded by Bill Doan, that the 61st District be permitted to hold the finals of their District on Friday night, March 2, 1973 instead of Saturday, due to a conflict in the use of the facilities with Morehead State University. The motion was passed unanimously.

J. C. Cantrell commended the Commissioner and the Committee on Constitution and By-Laws for an outstanding job. All members voiced their agreement.

W. P. Wheeler moved, seconded by Louie Martin, that all bills for the month of December, 1972, be allowed. The motion was carried unanimously.

The next meeting of the Board of Control was scheduled for Friday, March 16, 1973, at 9:00 A.M. in Louisville.

There being no further business, the meeting was adjourned.

National Alliance Football Rules

(Continued from Page One)

along with proposals from voting delegates and advisory members, in addition to items from Parts II and III of the National Alliance Football questionnaire are categorized and assigned to one of the five standing subcommittees for study and consideration. Before any proposed rules revision may be brought before the National Alliance Football Rules Committee, it must be discussed by a subcommittee and receive approval for presentation to the Committee-of-the-whole. It may be considered by a committee by virtue of being included as an item on the questionnaire. Preceding the opening general session of the Football Rules Committee, each subcommittee met to consider items on its agenda. The subcommittee meetings were scheduled so that delegates were privileged to attend two different sessions. During the first general session, reports from the standing subcommittees were presented to the Committee-of-the-whole and provided a wealth of material on which to base considerations during the voting session. In addition, voting members were permitted to submit individual items or minority committee reports in order to have their changes discussed during the meeting. During the opening general session, the editor (committee secretary) reviewed the questionnaire items and comments as submitted. Each voting delegate was provided with a copy of the questionnaire summary. Each voting delegate was reminded to submit any other item and/or minority report to the chairman if it was to be considered without unanimous consent. A complete copy of each of the reports from the **Equipment, Game Administration, Injury Data, Research and Statistical** and **Safety** Subcommittees will be included with the complete minutes.

AUTHORIZED RULES REVISIONS FOR 1973:

NOTE: The wording in the following statements is preliminary in nature and may or may not appear exactly in this manner in the 1973 Football Rules Book. The Editorial Committee has the responsibility of revising wording as necessary to correlate changes with other sections in the Code. Every effort is made to clearly and concisely represent committee action.

1973 Football Rules Changes
Tentative Wording

1-2-3: ART. 3 ... Lines shall be marked with a material which is not injurious to eyes or skin. No lime or caustic material of any kind may be used. Endlines and sidelines shall be at least 4 inches wide. It is recommended that the goal lines and the team box boundaries be marked in a color which contrasts with other field markings.

1-2-6: NOTE: Beginning in 1975 the pylons shall be orange or red in color and 4" square by 18" high.

1-3-1: (Second paragraph) The home management shall provide a legal football which shall be used throughout the game unless either team chooses to snap or kick a ball of a different covering. If the ball provided has more than 8 cross laces, another legal football may be used during those downs in which the opponent snaps or kicks.

NOTE: The trade numbers of approved balls whose material or construction differs from that of legal top-grade leather sewn balls, are listed on page 76.

1-3-2: ART. 2 ... A tan-colored ball with a solid and continuous white, 1-inch stripe 3 to 3¼ inches from each end to the nearer edge of the stripe shall be used.

1-3-3: (Add to the paragraph) An unofficial auxiliary marker may be used to mark the line-to-gain on the sideline opposite the chain and downmarker.

1-5-1a: ART. 1 ... A player shall wear: (a) a head protector secured by a chinstrap ...

2-3-3: ART. 3 ... A valid fair catch signal is extending and laterally waving of one arm only at full arm's length above the head.

2-21-1: ART. 1 ... A player or other person is out-of-bounds when any part of him touches anything (other than another player or game official) which is on or outside the sideline or endline.

ART. 2 ... A ball in player possession is out-of-bounds when the runner or the ball touches anything (other another player or game official) which is on or outside the sidelines or endline.

ART. 3 ... A loose ball is out-of-bounds when it touches anything (including a player or game official) which is out-of-bounds. (For a kick touching a goal post or crossbar, see 4-2-2d.)

2-30-6: ART. 6 ... The spot of the foul is where the foul occurs. If a non-player foul occurs during the down, the spot of the foul is considered to be the previous spot. If a player foul occurs out-of-bounds and during a down, the spot of the foul is considered to be at the intersection of the inbounds line and the yardline (extended) on which the foul occurs.

3-1-1: NOTE: Games involving only students below the 9th grade shall be played in 8-minute quarters. By state high school association adoption, games involving 9th grade students may be played in 10-minute quarters.

3-5-3: ART. 3 ... No charged time-out shall exceed 1½ minutes. A team is limited to a single charged time-out during a given deadball period. An officials time-out ...

SIGNAL: A signal to indicate an illegal block will be designated as number 28. It is use of a chopping motion with the heel of one hand at the front of the knee.

SIGNALS:

THE COMMITTEE adopted one new signal, that being to indicate an illegal block in the six-yard belt. This signal is the use of a chopping motion with the heel of one hand on the front of the knee. It is similar to the signal for clipping. The new signal will be number 28 and the signal chart will be slightly revised to accommodate its inclusion.

CASE BOOK SITUAUTIONS:

INTERPRETATIONS for specific plays were reviewed and revised. These will be included in the 1973 edition of the Case Book. Because the Case Book is a supplement to the Rules Book, the information contained therein is officially adopted by the Committee.

(1) A play to illustrate that a receiver shielding his eyes from the sun will be required to do so with a bent arm, and contrast this with a valid fair catch signal.

(2) A play to clarify that it is a false start for any player between the snapper and the player on either end of the line to rise to request a time-out after placing his hand on or near the ground.

Other plays to illustrate rules revisions will be included.

POINTS OF SPECIAL EMPHASIS:

THE NATIONAL ALLIANCE RULES COMMITTEE each specified certain areas which are to be given special attention by all those responsible for teaching football rules. The 1973 Committee was no exception. Three items have been specifically designated to be placed in this category for 1973. They include butt blocking, contacting an opponent after the ball is dead, and defensive pass interference.

GENERAL:

EDITORIAL CHANGES in the Rules Book, Case Book, Rules Simplified and Illustrated and the Football Handbook to correlate rules and sections were authorized by committee action. The Editorial Committee was directed to revise the present language in order to increase understanding without changing the intent of the rules section wherever feasible. The editor was directed to evaluate different types of plans being used to determine the winner of a game which ends with the score tied, and to develop a recommendation for a tie-breaking method to become part of the code.

1972-73 BASKETBALL EARLY SEASON QUESTIONS

EDITOR'S NOTE: These interpretations of the rules of the National Basketball Committee of the United States and Canada do not set aside nor modify any rule. The rulings are made by the National Federation of State High School Associations in response to situations presented.

CLIFFORD B. FAGAN, Editor,
National Federation Publications

20. **Play:** A3 enters the game wearing Roman numeral IV. It is detected: (a) before; or (b) after the clock starts.
Ruling: In (a) it is a technical foul on A3. In (b) there is no penalty.

21. **Play:** A4 enters the game wearing Roman numeral VII and it is detected: (a) before; or (b) after the clock is started.
Ruling: Although there are two infractions of the rule pertaining to numbers only one technical foul is assessed against A4 in (a). In (b) there is no penalty.

22. **Play:** Team A is assessed with a technical foul. Right after the ball is handed to B1, at the free throw line, by the official A2 pushes B2 fragrantly. Referee disqualifies A2 from the contest.
Ruling: Players on both teams will now take positions along the free throw lane for the free throw for the technical foul as well as for the free throws for the flagrant personal foul by B2 because the ball will be in play if the last free throw by B2 is not successful but touches the ring.

23. **Play:** While players are taking their positions around the restraining circle for a jump ball, A1 and B1 exchange punches. Official charges both players with flagrant technical fouls and disqualifies each of them from further participation in the game.
Ruling: Each team is awarded two free throws, to be attempted at their own basket and play will be resumed with a jump ball at center between any two opponents.

24. **Play:** A field goal try by A1 is touched by B1 as the ball is in upward flight. After B1 has touched the ball, a signal signifying time has expired to end the game is sounded. The ball then drops through the basket from above.
Ruling: No field goal. The try ended as soon as B1 touched the ball. The ball then became dead immediately when the signal sounded that the game had ended.

25. **Play:** B1, B2 and B3 commit personal fouls on A1 who is attempting an unsuccessful try at about the same time.
Ruling: One free throw for each personal foul is awarded to A1. Therefore, A1 has three free throws.
Comment: The personal fouls committed by B1, B2 and B3 are combined into a multiple foul. As provided in rule 10-B-10 only one free throw is awarded for each foul which is a part of a multiple foul.

26. **Play:** The score is tied with one second remaining in the game. A1 is awarded a bonus free throw situation. After the ball had been placed at the disposal of A1, B1 disconcerts A1. The free throw attempt is missed. The timer does not hear the official's whistle sound and permits the clock to start. May the referee put the second back on the clock?
Ruling: Yes. This is authorized by the last sentence of rule 2-12 which provides " . . . the referee may correct the error only when he has definite information relative to time involved."

27. **Play:** A1 dribbles by B1 who, in attempting to maintain a position in front of A1, backs into legal screener A2, and B1: (a) stops immediately; or (b) attempts to drive through screener A2.
Ruling: In (a), even though the contact may be firm, it is considered incidental and there is no foul. In (b), it is a foul by B1.

28. **Play:** A1 scores a field goal and B1 takes the ball out of bounds. B then requests and is granted a time-out.
Ruling: After the time-out, team B may put the ball in play exactly as it would if there had been no time-out. That is, a player of team B may move along the end line before passing the ball inbounds, or B1 may pass the ball to B2, who is also out of bounds behind the end line, and then B2 may throw the ball into the court.

29. **Play:** A1 is dribbling toward his basket. B1, his guard, is advancing rapidly in the same direction as A1 but is off to the side of A1, not directly behind him and not in identically the same direction and path A1, the dribbler, makes a quick sideward and backward movement, entering the path of B2. Contact ensues because B1 does not have an opportunity to stop or change his direction.
Ruling: Foul by A1. A1, even though he has the ball, is not permitted to come into the path of B1 so quickly that B1 cannot stop or change his direction.
Comment: Except in an unusual situation, the infraction by A1 would not be judged intentional. Whether it is deemed intentional is dependent entirely upon the judgment of the official.

30. **Play:** A1 requests a time-out for the purpose of: (a) tying a shoelace; or (b) replacing a low-cut shoe; or (c) recovering or replacing eyeglasses; or (d) recovering or replacing contact lenses.
Ruling: The official should grant the request in (a), (b), (c) and (d). The time-out is charged in (a) and (b). In (c) and (d), the time-out is not charged, and in both (c) and (d), effort should be made to recover and replace the lens and/or glasses as soon as possible, and then resume play immediately. Team A, of course, has the privilege

KAPOS NEWS

ATTENTION:
Principals and Cheerleader Sponsors!

Is your school a paid-up member of KAPOS? If you are, and your region, your cheerleader squad will be eligible to compete for the top award: Outstanding Cheerleader Squad in the State Tournament.

Included in the packet that will be given (by the tournament finals will be a letter pertaining to cheerleader squads, and will request that the principal send written confirmation that the cheerleaders of his school are being chaperoned by a well-qualified, school-approved adult. The name on the sponsor, should be included in this confirmation letter. This letter must be in the hands of the officially appointed KAPOS Board Member prior to the time that your cheerleaders take the floor. There will always be some one there to take your letter and to counsel with you.

Registration for Cheerleaders

Please stop by the KAPOS desk in Freedom Hall to:

1. Register your squad
2. Pick up your envelope which contains the KAPOS handbook and other tournament information.

Along with a KAPOS board member there will be high school cheerleaders on hand to assist

you. They can be identified by their hostess armbands. Feel free to ask them for help, and in turn they may seek your cheerleaders to be interviewed by one of the radio commentators. In order to make their task easier, we are asking that you register your seat, row and section number. A possible radio interview is often missed because the guides can not locate the desired person in time for the interview.

Hospitality Room

May we remind all sponsors and cheerleaders that KAPOS has a Hospitality Room, located in Freedom Hall. Besides the opportunity to socialize with friends, exchange ideas, and perhaps get help with your problems, you can have free refreshments. Be sure to register when you come to the Hospitality Room.

State-at-Large and State Tournament Champions

Beginning with the District Tournaments, all squads that are paid up members of KAPOS are eligible to compete for the honor of representing that District in their Region. The winner from each Region is eligible to compete for the title of Champion-of-the-State-at-Large.

Judging for the State-at-Large winners will take place at 8:30 A. M. on Friday in DuPont Manual School gymnasium. The school is centrally located downtown at Second and Lee St., Louisville. We are grateful to the administrators for their generosity in opening the doors of their school to us for this competitive event. We trust that they will have no cause to fault our behavior. All cheerleaders and guest will be expected to be remindful that they are guests in the "home" of Manual School.

It is possible for the winner of the State Tournament to be also the winner of the State-at-Large. The judging instrument to be used for the State-at-Large competition will be identical to the one used for the Region. The instrument to be used for the State Tournament will be enclosed in the packet given out by the K.H.S.A.A. officials to the respective winners of the sixteen regions.

Governor Ford Declares Sportsmanship Week

While every week should be Good Sportsmanship Week, KAPOS has always tried to put special emphasis on being a good sport at State Tournament time. Being a good sport is part of being a good citizen. KAPOS doesn't believe that good citizens need to be reminded to exemplify good sportsmanship. However, it is especially fitting at tournament time to remind all citizens that it is a privilege to be able to attend the games and that each individual can contribute to the success of the tournament if he will abide by the KAPOS Sportsmanship Creed proclaimed by Governor Ford.

Awarding of Trophies

State Champion-at-Large: The winner will receive the Ted Sanford trophy while the runner-up will receive the Jane Meyer trophy. Ribbons will be given for honorable mention. These awards will be given during the half-time of the first game Friday afternoon.

State Tournament: winner, first place trophy; runner-up, second place trophy; honorable mention, ribbon. These awards will be given at the close of the final game on Saturday night. All cheerleaders are asked to wear their uniforms and to assemble in the KAPOS Hospitality Room during the half-time of the final game. All Cheerleaders will then proceed to one of the end of the end entrances where the winners will have easy access to the playing floor.

Sponsors of the competing 16 cheerleader groups are asked to come to the floor with their squads. Besides getting the recognition you so well deserved, it is another way of letting the public know that cheerleading is important enough in the school's curriculum to merit a well-qualified "sponsor-coach-chaperon."

Reminder

Is time to send in credentials for scholarship candidates. You too, may have a potential scholarship winner. Get your applications in early. Write our officers for application forms, or pick them up at the KAPOS desk in Freedom Hall.

Summer Cheerleader Clinic

Junior High — Senior High Clinic

(Clinic I, July 8-12) (Clinic II, July 15-19)

Both Clinics will be held on the University of Kentucky campus. The two groups will be housed separately. Classes and lectures will be geared to the interest and ability of the respective groups.

Brochures giving details of the clinic can be obtained at the State Tournament KAPOS desk or by contacting Mrs. Milly Rodes (Transylvania College) or Mrs. Grace Fragstein (Lafayette School) all addressed to University of Kentucky, University Station, Box 650, Lexington, Kentucky 40506.

Note to all Administrators

Many of you have responded to our SOS in releasing teaching personnel to assist with the many tasks necessary to keep this organization functioning effectively. Again, we need judges, and personnel to help at the tournament. This involves at least 12 to 15 people. It is also back-breaking tiresome work. However, we have many dedicated women who have indicated a willingness to help share these duties provided they get a release from their administrators. Therefore, the KAPOS board is seeking your understanding and cooperation should you be asked to release a teacher from her duties to help carry on the work that KAPOS is doing to make cheerleading a worthwhile educational experience in the State of Kentucky.

Basketball Early Season Questions

(Continued from Page One)

of taking the full time-out in (a) and (b) and whether they do or not has no bearing on the fact the time-out is charged.

31. **Play:** Dribbler A1 taps the ball to the floor and then permits it to bounce one, or several times, before he taps it a second time. Did the dribble end when the ball bounced several times between taps?

Ruling: Whether the dribble ended depended upon whether A1 lost control. Rules 4-8-(c) provides that the dribble ends when the dribbler loses control. The fact that the ball bounced two or more times between taps by the dribbler does not necessarily mean the dribbler has lost control. He has lost control if he is unable to immediately catch or continue to dribble the ball. It is not too unusual for a dribbler, when advancing the ball from the back court into the front court, and especially when the defense is retreating, to tap the ball to the floor and let it bounce a couple of times before he taps it again.

32. **Play:** A1 is out of bounds to execute a throw-in. He throws the ball to teammate A2 on court and then runs 4 or 5 steps along the side line remaining out of bounds where upon he returns to court after making use of a screen set up by teammates A3 and A4.

Ruling: Technical foul on A1. As soon as A1 does not return directly onto court, the official shall sound his whistle and penalize A1 with the technical foul. Remaining off the court to set up a play is interpreted the same as leaving the court for an unauthorized reason. The rules are written to insure the game will be played on the court.

33. **Play:** A1, while advancing near the side line, goes out of bounds to avoid defensive man B1 and then returns to court to receive a pass from teammate A3.

Ruling: Technical foul on A1 for leaving the court. Rule 10-6 (g) prohibits any player leaving the court for an unauthorized reason.

34. **Play:** B1 curses the official and is assessed with a flagrant technical foul. B1 is expelled from the game and team A is awarded two free throws. Captain of team A selects A2 to attempt the first free throw. After A2 misses his try the captain of team A advises the official A3 will try the second throw.

Ruling: This is legal. Team A could even have S1 and S2 report into the game to become players and each try one of the free throws.

35. **Play:** A1 commits a player control foul. While B1 is attempting to make the throw-in to a team mate, A2 pushes B2. In (a) the bonus rule is not in effect; or (b) the bonus rule is in effect.

Ruling: In (a) the ball is awarded to team B at the spot out of bounds nearest to where A2 fouled B2. In (b), B2 is awarded a one and one. The play results in a false multiple foul situation.

36. **Play:** A1, who is standing in the forecourt close to the midcourt line, receives a pass. He holds the ball for four seconds and then dribbles for the first time. The ball strikes the floor in the midcourt and he moves into the midcourt and continues to dribble for four seconds after which he dribbles into the forecourt where he dribbles for another four seconds. He then ends the dribble and holds the ball for four seconds in the forecourt. A1 is closely guarded throughout this action.

Ruling: Legal. Nothing has happened to cause the ball to become dead. A1 first dribbled in the midcourt. Therefore a new count is started when the dribbler moves from the midcourt into the forecourt for the first time after dribble had started in the midcourt. There can be no combination count (holding and dribbling) if the entire action as in this specific situation does not take place in the midcourt. The combination count is applicable only when the entire action takes place in the midcourt.

37. **Play:** A1 scores a field goal. During the throw-in, A2 fouls B3. The bonus rule is not in effect.

Ruling: Charge A2 with a personal foul. Team B must put the ball in play at spot out of bounds nearest to where the foul occurred. The privilege to run the baseline for the throw-in ended because of the foul by A2.

38. **Play:** A1 holds the ball in the forecourt for four seconds. He then dribbles the ball for four seconds in the forecourt and then holds the ball for four seconds in the forecourt.

Ruling: Because the entire action took place in the forecourt, it is not a held ball in light of the fact that the combination count (that is holding and dribbling) is not applicable to any action whatever in the forecourt. The combination count can only take place when the entire action in that specific situation takes place in the midcourt.

Comment: The application of items (c) and (d) of Rule 4-15 and the two exceptions applying to these items are applicable to a "counting situation" only. To start and continue a count based on items (c) and (d) the following principles must prevail: (1) The entire action must take place in the front court. (2) There must be player control. (3) The player in control must be continuously guarded. (4) There can be a combination count (holding or dribbling) only when the entire action during that situation takes place in the midcourt area. (5) A given situation ends when a player loses control or the player in control is no longer closely guarded. After a count has been ended or "been broken" a new count starts as soon as requirements 1, 2, and 3 are again in combination.

39. **Play:** A1 pushes B1. B1 appears to be injured and reports to the official that he is not able to attempt the free-throw. S1 replaces B1 and scores successful free-throw. B1 then reports to the scorer to replace S1: (a) before the throw-in teammate has the ball in his hands; or (b) after the throw-in has been made and A2 is called for traveling.

Ruling: B1 may not re-enter in (a) because the clock has not been started after the dead ball during which S1 had replaced B1. (b) B1 made re-enter.

Comment: In this situation and in possible related situations, it would seem rather obvious that the coach's strategy had been to replace a player for the purpose of getting a "specialist" or a more capable free-thrower into the game. Such practices should be discouraged, but it will not be desirable to prohibit a player who has been withdrawn because of an injury from re-entering the game at a later time.

40. **Play:** Neither team is in the bonus situation. After a try by A1 is clearly in flight, B1 fouls A1 and the field goal attempt is successful.

Ruling: The personal foul is charged to B. The ball is handed to a member of team A at the out of bounds spot closest to where the foul was committed. The throw-in spot is designated. If the throw-in spot is determined to be behind the end line, the throw-in may not run the base line. This is a privilege that is reserved only for the team scored upon when it throws in the ball.

41. **Play:** While A1 is attempting a free throw (a) A2 fouls B3 before the official has placed the ball at the disposal of the free thrower; or (b) while A1 has the ball preparing to make the attempt; or (c) while the attempt is in flight.

Ruling: In (a) the foul by A2 will be an intentional technical foul. In (b) and (c), the fouls are personal because the ball is alive and in both (b) and (c), the foul is considered intentional and carries a penalty of two free throws. In (a), (b) and (c), the fouls by members of team A cause the situation to be a false double foul and play will be resumed by a jump ball at the center.

42. **Play:** If a ball is on its upward flight toward the goal, may it be tapped against the backboard whether it has or has not touched the backboard.

Ruling: Yes.

43. **Play:** With 2 seconds to play in first period, A2 taps the ball toward his basket and while ball is in flight, time expires (a) While the ball is on the ring, B2 slaps ball away; or (b) B2 dunks ball.

BRYAN STATION H. S. BOYS' GYMNASTICS TEAM
1973 K.H.S.A.A. STATE CHAMPION

(Left to Right) Front Row: Phillip Rue, Jim Sharp, David Gorham, Rex Little. Second Row: Casey Cooper, Robert Brown, Everett Talbert, Tyrone Bond, Vincent Carter, Doug Cox, Sam Rutledge, Tom Dunn, Kim Williams.

Ruling: In both (a) and (b) the period ended with expiration of time. No violation in (a), B merely slapped a dead ball. In (b), B2 is assessed with a technical foul. The 2nd quarter is started with any A player attempting a free throw, after which ball is awarded to team A out of bounds at the division line.

44. **Play:** B1 holds A1, while A1 is in the act of shooting. The try is not successful. A1 then dunks ball into his basket.

Ruling: Charge B1 with a personal foul. A1 attempts two free throws. A1 also is charged with a technical foul. Team B is awarded 2 free throws. Ball is put in play with center jump between any two opponents.

ATHLETICS PROVIDE EMOTIONAL OUTLET

By DR. RHEA H. WILLIAMS

One of the most useful purposes for athletics or any type of play is that it give opportunities for the emotions to be expressed and to be directed in the proper channels. It is a proven psychological fact that very person has to have some opportunity to vent his emotions, and athletics and play are among the best ways.

Psychologists call any method which allows a person to express his emotions in a manner which avoids harmful mental or physical "explosions" the "safety valve" theory. Thus, athletics and play are excellent "safety valve" laboratories for the emotions.

We all know from personal experience that human beings are emotional and that they must have opportunities to express themselves or else they will "explode".

Emotions which are not allowed to be expressed in desirable fashions will be displayed in undesirable fashions. One of every 15 Americans today will enter a mental hospital sometime during his life, and many other neurotic people not included in the above are found in society. There must be some activities which give a person the opportunity for wholesome and desirable pouring out of emotions. If they are bottled up and not allowed to "come out", then that person will become neurotic and will display abnormal mental and social traits.

Athletics and play provide perhaps one of the better means of allowing the expression of emotions by school age children. Through play and games, boys and girls run the gamut of expres-

sions from tension to relaxation, from sorrow to gladness, from silence to exultation and from tears to laughter. There is no greater opportunity to train the emotions, while at the same time allowing them to be expressed than in athletics and play. The emotions, if allowed complete freedom without proper guidance, will not always be directed in the right fashion. The ability to control emotions is best guided on the playing field under the proper direction of a coach or teacher.

In the average classroom, such as English, Social Science or Physical Science, there is little opportunity for a person to train his emotions as seldom is he given a chance to express them. This writer has never yet seen tears or laughter in a science experiment unless sulfuric acid escaped.

Each high school student needs an opportunity to express his emotions in some wholesome situation. Every high school child should be brought into some extra curricular activity. The band, by marching and playing, the pep squad and the drill team and the entire student body have an opportunity to let off pent-up "team" and tension at athletic activities. There must be proper direction for the emotions. They are much like atomic power. They can be good or evil, depending upon direction.

It is the responsibility of administrators and teachers to see that emotions are guided into proper channels. If left unbridled, they can do as much harm as good. All activity programs have some essence of emotional outlet in them, but those which have the greatest free outlets for motions by far and large are athletics and play.

The adults in the community who go to athletic events also find these activities excellent outlets for emotions and tensions. The person who works in a store, a bank or other business establishment during the week and has to control his emotions finds the weekend athletic events a fine opportunity to "yell" and "whoop" and rid himself of tensions. Many psychologists say that "booing" and other methods of "riding" officials usually come from a person who has to submit to authority all week and resents this submission so much that he expresses his resentment at someone else in authority when he has the opportunity. He feels much better after getting it "off his chest."

People must have opportunities to let tensions go, whether by playing the piano, working in a hobby shop or participating in/or viewing an athletic event. For both youth and adults, one of the greatest opportunities for the wholesome outlet of emotions and tension is found to be in high school athletic and play programs. The important thing is to see that administrators and teachers use these activities properly so that the emotions are directed into the proper channels.

If we do this, our citizens should be healthier, both mentally and physically, because they have the opportunity to express their emotions and tensions in a desirable way.

1973 Annual Meeting

The business meeting of the K.H.S.A.A. will be held on Thursday, April 12, at 3:00 P.M., in the Louisville Royal Room, Seelbach Hotel, Louisville. The dinner meeting will be held at 6:30 P.M. in th Ballroom of the hotel.

As provided in Article IX, Section 1, of the K.H.S.A.A. Constitution, the following changes in the Constitution and By-Laws will be acted upon by the Delegate Assembly.

Proposal I

Prin. Ronald L. Hager of the Prestonsburg High School, proposes that By-Law 21 be changed to read: "The number of basketball games played by a member school after Decembr 31, and prior to the district tournament, shall not exceed twenty-two. The number of games by any member school shall not exceed thirty games. Any school which violates this rule shall not be eligible for district tournament competition. In one and only one county, conference, or invitational tournament, the games played by a member school shall count as one game. All other tournament games shall count as part of the thirty allowed games."

Proposal II

Prin. Arnold Stacy, Jr., of the Bath County High School, proposes that By-Law 21 be amended by substituting the word "twenty-six" instead of "twenty-four."

Proposal III

Prin. Frank Lyons of the Dayton High School, proposes the following change in By-Law 28, Section 5: "Prior to the football season a team may have only two scrimmages, or two practice games, or two gridorama games, or any combination of these not to exceed **three,** with players other than members of the squad. Prior to the opening game of regular season play, a basketball team may have only two practice games and one preview game with players other than members of the squad, with the combination of these not to exceed **three."**

Proposal IV

Prin. Webb Young of the Paul G. Blazer High School proposes that: "The Kentucky High School Athletic Association Board of Control shall sanction and sponsor a girls' basketball play-off to determine a state champion.

These play-offs shall be under the complete control of the Kentucky High School Athletic Association and its commissioner."

A Committee (Chairman Frank Simpson, Eli Alexander, James McAfee, Lloyd Sharp) appointed by President Richard Vincent to study the Constitution and By-Laws and the Board of Control proposes the following changes:

Proposal V

In Article III, (Page 5) — Delete in first sentence "approved or" and replace "Kentucky High School Inspector" with "State Department of Education."

Proposal VI

In Article IV, Section 2-a (Page 5)—Add after first sentence: "In addition two blacks shall be elected (Federal Court Decree). One shall be elected from each eight regions. They shall be a full time certified employee of a Board of Education."

Proposal VII

In By-Law 1, Section 1 (Page 12) — Make second sentence read — "Not later than Wednesday of the week preceding the week of the contest, the principal shall mail to the other, upon request, a statement to the effect that the persons named are eligible, under the rules of the Association, to represent the school on the date specified. This statement shall be made on the standard eligibility blank supplied by the Association." (Request may be indicated on game contract form when it is signed.)

Proposal VIII

In By-Law 1, Section 2 (Page 12) — Delete last sentence.

Proposal IX

That the first sentence of By-Law 1, Section 5 (Page 13) be made to read: "A new principal before certifying to the eligibility of his players, if there is reason to question any of the information, shall secure from the Commissioner's Office a copy of the original certifications for such players."

Proposal X

That By-Law 1, Section 6 (Page 13) be made to read: "Each principal of a member school shall submit to the Commissioner at the end of the school year a list of the names of all students who participated in any first team game in any sport during the season. This participation list will be submitted on a form furnished by the Association, which shall be filled out in full for each student."

Proposal XI

That By-Law 6, Section 3 (Page 16) be deleted in its entirety. (All transfers would be govrned by Section 1 and 2).

Proposal XII

That By-Law 19 (Page 18) be made to read: "Section 1 — All boys contests shall be governed by National Federation rules if an official set is issued for the sport."

Proposal XIII

That By-Law 22 (Page 20) be made to read: "Only officials registered with the Officials' Division of the Association shall be assigned or employed to officiate in basketball, football, baseball and wrestling."

Proposal XIV

In By-Law 29, Section 2 (Page 22) — Delete "of $3.00."

Proposal XV

In By-Law 29, Section 4-c (Page 23) — Delete in the last sentence "in at least six first team high school football games or twelve first team high school basketball games" and replace with "and has worked all the games assigned to him during the previous season."

Proposal XVI

That By-Law 29, Sction 7 (Page 23) be deleted entirely and insert "An official shall accept assignments in the amount of time and manner as prescribed by the local officials association to which he belongs."

Second Annual Sports Medical Seminar Scheduled At Eastern Kentucky University

RICHMOND, Ky. — Eastern Kentucky University will host its second annual one-day "Medical Aspects of Sports" seminar Thursday, May 17, Dr. Wilbur R. Houston, director of the EKU Student Health Center, has announced.

The clinic will be jointly sponsored by the Kentucky Medical Association, the Kentucky High School Athletic Association, the Department of Health, Physical Education, Recreation and Athletics at Eastern, and the EKU Student Health Center.

The day's activities will include lectures, demonstrations, and consultations especially designed for physicians, school administrators, teachers, coaches, trainers, and student managers or trainers.

Presiding at the seminar will be Dr. Ronald E. Waldridge of Shelbyville, chairman of the KMA Committee on School Health and Medical Aspects of Sports.

Clinicians will be physicians, university instructors, university and high school athletic trainers, and coaches. Specific consultation booths will be available for coaches of most popular varsity sports.

A sampling of the topics includes certification of trainers, foot care, motivation, the family physicians role in sports medicine, nutrition and heat illness, mouth injury, resusitation, and taping.

All persons concerned with the medical aspects of sports are urged to attend. There will be a $5 per person registration fee which includes a luncheon and a certificate of attendance.

Reservations should be made to insure ample accommodations, but are not mandatory. For further details, or to register, write Medical Aspects of Sports Seminar. Student Health Center, Eastern Kentucky University, Richmond, Ky. 40475.

Minutes of Board Meeting

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Friday morning, March 16, 1973. The meeting was called to order by President Richard Vincent at 9:00, with all Board members, Commissioner J. B. Mansfield, and Assistant Commissioners Billy Wise, Louis Stout and Tom Mills present. The invocation was given by J. C. Cantrell.

W. P. Wheeler moved, seconded by Bill Doan, that the reading of the minutes of the previous meeting be waived since the members of the Board had received copies of these minutes. The motion was carried unanimously.

The Commissioner reported the results of the recent balloting for Board membership for Sections 1 and 6. Howard R. Crittenden, Principal of Calloway County High School was elected to represent Section 1 and James R. Williams, Principal of Somerset High School was elected in Section 6. Both candidates were un-opposed in their bid for election.

Representatives of the Kentucky Division of the Amateur Fencers League of America (Mr. Bill Long, Assistant Principal, Southern Junior High School and Mr. Francis Wolff, Chairman of the League) appeared before the Board requesting that the Board recognize fencing as a high school sport. They presented letters from several principals also requesting that fencing be recognized by the Kentucky High School Athletic Association. Several questions were asked concerning equipment, coaches, insurance and other costs. Following this, Mr. Vincent thanked Mr. Long and Mr. Wolff and they departed. Action was delayed on the request to allow further study.

There was a discussion of possible Board proposals to be submitted to the forthcoming Delegate Assembly of the Association. There were no additions to the proposals presented at the previous Board meeting. Mr. Mansfield presented four proposals received from high school principals to be placed before the Delegate Assembly for action.

The Commissioner presented a letter from Mr. Joe Ohr, Secretary of the Kentucky High School Coaches Association, requesting permission to continue sponsoring the All-Star Football and Basketball games to be held in August. Jack Fultz moved, seconded by Bill Doan, that permission be granted. All members voted aye.

Mr. Mansfield informed the Board that Mr. Fran Curci, Head Football Coach, University of Kentucky, has accepted his invitation to be the guest speaker at the annual dinner meeting of the Kentucky High School Athletic Association to be held in the Ballroom of the Seelbach Hotel, Louisville, on Thursday evening, April 12, 1973.

Mr. Roy Winchester moved, seconded by W. P. Wheeler, that all bills of the Association for the period beginning January 1, 1973, and ending February 28, 1973, be allowed. The motion carried unanimously.

There being no further business, the meeting adjourned.

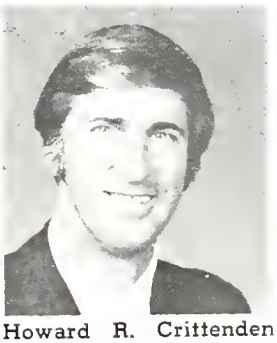
Newly Elected Board Members

James R. Williams



Howard R. Crittenden

Prin. Howard Crittenden of Calloway County High School and Prin. James R. Williams of the Somerset High School will represent Section 1 and 6 respectively on the Board of Control for a four year period, beginning July 1, 1973.

James R. Williams is a native of Somerset where he attended high school. He received a B.S. Degree from the University of Louisville where he starred as a fullback for the Cardinals. Later he earned a M.A. Degree at Eastern Kentucky Univrsity and has done additional graduate work there.

Jim has been in the Somerset High School since 1956 where he has served as teacher, assistant principal and for the last two years as principal. During this time he was track coach for nine years and head football coach for eight years. He was on the KASSP Board of Directors and a member of the NEA, KEA, MCDEA, and NASSP.

Mr. Williams was active in the Somerset Jaycees and the Somerset Optomist Club. He is currently a member of the Kiwanis Club. Jim is a Deacon in the First Christian Church and president of the Christian Men's Fellowship. He is married and has two children.

Howard Crittenden has been principal of Calloway County High School since 1966. Prior to his principalship he was assistant basketball coach at the University of Missouri. Mr. Crittenden coached basketball, track and baseball at Calloway County High School and served as basketball, baseball and assistant football coach at Metropolis High School in Metropolis, Illinois.

Mr. Crittenden is a graduate of Cuba High School where he was a member of the 1952 Cuba basketball team that won the Kentucky State Tournament and was selected as high school All-American. He attended Murray State University receiving his M.A. +30 hours. He was selected as All-OVC in basketball three years and honorable mention for All-American three years. After college Howard played in the NIBL League where he was selected as AAU All-American each year. In 1958 he was on the American basketball team that toured Russia.

Mr. Crittenden has been selected for many honors in athletics and education. He resides with his wife, Jeanie, and son, Howie, at 903 Doran Road, Murray, Kentucky.

Minutes of the Annual Meeting

The fifty-sixth annual meeting of the Kentucky High School Athletic Association was held at the Seelbach Hotel, Louisville, on Thursday afternoon, April 12, 1973.

President Richard Vincent called the meeting to order at 3:30, and asked Assistant Commissioner Tom Mills, to call the roll. Fifty-nine regularly elected delegates and alternates answered the roll call. Johnnie Lee moved, seconded by W. J. Pickett, that the minutes of the 1972 Assembly, which had been sent previously to all member schools, be approved without being read. The motion was carried unanimously.

Commissioner Mansfield then gave a report on the activities of the Association during the 1972-73 school year.

President Vincent introduced to the Assembly James Williams, recently elected to membership on the Board of Control from Section 6. He will begin his four year term on the Board on July 1, 1973. Mr. Vincent also noted that Howard Crittenden had been elected to represent Section 1 and that his term would also begin on July 1, 1973.

President Vincent stated that consideration of proposals was the next order of business.

Joe Ohr moved, seconded by Winston Adkins, that Proposal I, providing that By-Law 21 be changed to read: "The number of basketball games, played by a member school after December 31, and prior to the district tournament, shall not exceed twenty-two. The number of games by any member school shall not exceed thirty games. Any school which violates this rule shall not be eligible for district tournament competition. In one and only one county, conference, or invitational tournament, the games played by a member school shall count as one game. All other tournament games shall count as part of the thirty allowed games, be adopted. The motion failed to be carried by a vote of 19-40.

J. W. Ballard moved, seconded by David Fraley, that Proposal II, providing that By-Law 21 be amended by substituting the word "twenty-six" instead of "twenty- four", be adopted. The vote was 31-23 in favor of the motion. This was not the necessary two-thirds vote required, and the proposal was declared lost.

Frank Reams moved, seconded by Norman Perkins that Proposal III be adopted. Proposal III provided the following change in By-Law 28, Section 5: "Prior to the football season a team may have only two scrimmages, or two practice games, or two gridorama games, or any combination of these not to exceed three, with players other than members of the squad. Prior to the opening game of regular season play, a basketball team may have only two practice games and one preview game with players other than members of the squad, with the combination of these not to exceed three." The motion failed by a vote of 33-26.

Johnnie Lee moved, seconded by George Sauer, that Proposal IV be adopted. Proposal IV provided that "The Kentucky High School Ath-

Attention, Officials!

The registration period for K.H.S.A.A. officials is and has been for several years the same as the Association fiscal year, namely July-June. Advance applications for registration in football and basketball are not now being accepted. Previously registered officials in these sports will receive their renewal application cards at some time during the summer months after the new National Federation publications have been received in the State Office. Previously registered officials should not send in their renewal fees until they receive these cards.

MINUTES OF BOARD MEETING

The Board of Control of the Kentucky High School Athletic Association met at Stouffer's Inn, Louisville, on Thursday morning, April 12, 1973. The meeting was called to order by President Richard Vincent at 9:30, with all Board members, Commissioner J. B. Mansfield and Assistant Commissioner Tom Mills present. The invocation was given by J. C. Cantrell.

W. P. Wheeler moved, seconded by Bill Doan, that reading of the minutes of the previous meeting be waived since members of the Board had received copies of these minutes. All members voted aye.

The Commissioner stated that the attendance at the 1973 State Basketball Tournament for the eight sessions was 120,525, this being approximately 8,000 less than the attendance for 1972. He reported, however, that the receipts had held up well due to the increase in the price of tickets. The total ticket sales for 1973 was $282,000.00. The Commissioner estimated tournament expenses of approximately $85,000.00. He stated that a complete record of all receipts and disbursements will appear in the annual audit.

The Commissioner reported the need for basketball redistricting in certain areas. After a discussion concerning redistricting requests, Jack Fultz made the motion that Fairview be moved from District 64 to District 63 to balance out these two districts to four teams each. Louie Martin seconded the motion and all members voted aye.

J. C. Cantrell presented a request from Principal Irvin Brooks, Southern High School, that his school be placed in a basketball district with schools with which Southern has a closer relationship and natural rivalry. The Board could not see a solution and requested Mr. Cantrell to contact Mr. Brooks for his recommendation which the Board would consider.

Upon a motion by Roy Winchester and a second by J. C. Cantrell, the Board voted unanimously in favor of the Kentucky High School Athletic Association sponsoring a state play-off in fencing.

Frank Simpson and W. P. Wheeler were named delegate and alternate respectively to the forthcoming annual meeting of the National Federation.

Roy Winchester moved, seconded by Louie Martin, that all bills of the Association beginning March 1, 1973 and ending March 31, 1973 be allowed. The motion was carried unanimously.

There being no further business the meeting adjourned.

1972-73 Annual Report

(Presented to Delegate Assembly)

Three hundred thirty-four schools have joined the Association during the 1972-73 school year. This number compares with 344 members last year.

Financial reports filed by the sixteen regional basketball tournament managers show total receipts of $273,255.85 with attendance of 200,076. The district tournaments grossed $398,029.02 with an attendance of 339,154.

Attendance at the State Tournament for the eight sessions was 120,525, an average of 15,066 as compared to 128,352, an average of 16,048. This represents an average decrease of about 1,000 people per session. However, an adjustment in the ticket prices compensated for the decrease in attendance as the gross receipts was $282,000. After the expenses are deducted the profit will be somewhat over last year and that indicated in the 1972-73 budget. A complete record of all receipts and disbursements will appear in the August issue of the Association magazine.

One thousand six hundred eighty-one basketball officials, 772 football officials, 625 baseball officials and 68 wrestling officials have registered with the Association. Thirteen football rules clinics for coaches and officials were held by Assistant Commissioner Billy V. Wise. One hundred sixty officials took the National Federation examination. Of this number forty were added to the Certified list and there were ninety-one on the Approved list. Mr. Wise conducted eighteen basketball rules clinics throughout the state. One hundred ninety-four basketball officials took the examination for the higher ratings with thirty-nine being added to the Certified list and 128 received the Approved rating.

Assistant Commissioner Louis Stout conducted a school for twenty area baseball clinic directors who will assist in assigning umpires. Mr. Stout also conducted thirteen statewide baseball rules clinics for coaches and umpires. For 1971-72 fifty-eight officials took the examination for the higher ratings with seven being added to the Certified list and thirty-nine to the Approved list.

Assistant Commissioners Tom Mills, Wise and Stout held meetings throughout the state with principals and coaches to set up area associations

to assist in the assignment of officials. These resulted in fourteen and eleven assigning secretaries being selected in basketball and football respectively. These men were selected by boards elected by the schools involved. The results of the assignment plans for the most part was successful. An effort will be made to eliminate the unforeseen difficulties that arose during the year. The assigning secretaries are to be commended for their untiring efforts in getting this program started.

The Commissioner and the Assistants deeply appreciate the cooperation, assistance and suggestions of the administrators and coaches of the member schools. We are all at your service at anytime. It is your Association and the kind of a job we do in carrying on the work will depend on your giving us your ideas and assistance in solving problems as they arise.

The number of schools maintaining sports sponsored by the Association for 1972-73 are: boys' basketball, 320; baseball, 285; football, 195; boys' track, 213; girls' track, 160; boys' golf, 180; girls' golf, 63; cross country, 122; boys' tennis, 98; girls' tennis, 77; wrestling, 58; boys' swimming, 37; girls' swimming, 32; boys' gymnastics, 13; girls' gymnastics, 21; rifle, 14. The first Association sponsored tournament in soccer was held with 10 teams taking part.

The Association has paid out so far this year through the catastrophe insurance policy claims in the amount of $10,103.40. The Kentucky High School Coaches Association contributed $1,000.00 toward the premium payments of this policy.

Approved and Certified Baseball Officials

Some sixty-four K.H.S.A.A. officials registered in baseball took the National Federation examination for the higher ratings on April 16, 1973.

'Seminar On Medical Aspects Of Sports'

A seminar on the medical aspects of sports will be conducted on the campus of Eastern Kentucky University on May 17, 1973. The program is being sponsored by the Kentucky Medical Association, The Kentucky High School Athletic Association and the Student Health Center and Department of Athletics of Eastern Kentucky University.

The program will be of interest to physicians, school administrators, teachers, coaches, trainers and student managers. School administrators are asked to cooperate in making this seminar a success by encouraging their personnel to attend.

Registration begins at 8:00 A.M. in the Adams Room of the Wallace Building. A registration fee of $5.00 will be charged to cover the cost of a certificate of attendance and lunch for those in attendance.

Spring Football Clinic

The fourth annual University of Kentucky Spring Football Clinic will be held on Saturday, May 19, 1973, at the Keeneland Race Track, Lexington, Kentucky.

The program will feature the University of Kentucky coaching staff, headed by Fran Curci, Head Coach. Topics scheduled for discussion are philosophy, winter program, practice organization and a presentation by members of the offensive and defensive staff. A tour of the University physical plant will follow group conferences with Kentucky coaches. Door prizes will be given and a complimentary luncheon served to those in attendance. Registration will begin at 8:00 A.M. There will be a registration fee of $2.00.

Kentucky's Game Guy

Sol Dudley

The Kentucky High School Athletic Association gave its highest award to an individual on the evening of April 12 when Charlie Vettiner, who originated the Game Guy Award, presented Sol Dudley of the Henderson High School the 1973 Game Guy Award. The presentation was made during the dinner meeting of the Association.

In nominating Sol Dudley for the award, Coach Bill Dawson said:

"I would like to nominate one of my football players for the Game Guy Award. He is Sol Dudley, senior from Henderson High School. Sol was recognized as one of the best defense players in Region 1 going into the 1971 football season. He suffered a broken neck in his team's second game of the 1971 season. Sol was flat on his back on his hospital bed for three months, with his neck in traction. The specialist performed an operation by taking a piece of the bone from his hip and grafting it to the vertebrae in his neck. Sol missed the first semester of school. In fact it was touch and go for a while as to whether he would ever walk again. He did walk and later ran, and this year he was among the leading tacklers of the defensive unit from his outside linebacker in the end position. He served as a team captain and was considered by all as a good competitor.

Dudley's senior season was capped off by his election to the Kentucky all-state team selected by the Associated Press and its nearly thirty sports departments over the state. He joined an illustrious group of footballers from across the state on the first defensive unit and they were joined by only ten other players from Kentucky's three football classes."

Minutes of Annual Meeting

(Continued from Page One)

letic Association Board of Control shall sanction and sponsor a girls' basketball play-off to determine a state champion. These play-offs shall be under the complete control of the Kentucky High School Athletic Association and its commissioner." The motion carried by a vote of 43 to 6.

C. W. Jones moved, seconded by Luther McDowell, Jr., that Proposal V be adopted. Proposal V provided that in Article III delete in first sentence "approved or" and replace "Kentucky High School Inspector" with "State Depratment of Education." The motion carried unanimously.

Darrell C. Hampton moved that Proposal VI be adopted. The motion was seconded by D. B. Stewart. The Proposal provided that "In addition two blacks shall be elected (Federal Court Decree). One shall be elected from each eight regions. They shall be a full time certified employee of a Board of Education." The motion carried by a vote of 56 to 3.

Proposal VII stated that in By-Law 1, Section 1, make second sentence read 'Not later than Wednesday of the week preceding the week of the contest, the principal shall mail to the other, upon request, a statement to the effect that the persons named are eligible, under the rules of the Association, to represent the school on the date specified. This statement shall be made on the standard eligibility blank supplied by the Association." (Request may be indicated on game contract form when it is signed.) Ralph Kamphaus moved, seconded by Webb Young, that the proposal be adopted. The motion carried by a vote of 56 to 3.

Sam Robinson moved, seconded by Joe Ohr, that Proposal VIII providing for the deletion of the last sentence in By-Law 1, Section 2, be adopted. The motion carried unanimously.

Webb Young moved that Proposal IX be adopted. John Stringer seconded the motion. Proposal IX provided that the first sentence of By-Law 1, Section 5, be made to read: "A new principal before certifying to the eligibility of his players, if there is reason to question any of the information, shall secure from the Commissioner's office a copy of the original certifications for such players." The moton carried unanimously.

D. B. Stewart moved, seconded by Arnold Stacy, Jr., that Proposal X be adopted providing that By-Law 1, Section 6, be made to read: "Each principal of a member school shall submit to the Commissioner at the end of the school year a list of the names of all students who participated in any first team game in any sport during the season. This participation list will be submitted on a form furnished by the Association, which shall be filled out in full for each student." The motion carried unanimously.

Arthur Draut moved, seconded by Bobby Green, that Proposal XI providing that By-Law 6, Section 3 be deleted in its entirety. (All transfers would be governed by Section 1 and 2), be adopted. The motion carried unanimously.

Proposal XII provided that By-Law 19 be made to read: Section 1 — All boys contests shall be governed by National Federation rules if an official set is issued for the sport. Bobby Green made the motion, seconded by Frank Reams, that this proposal be adopted. The motion carried by a vote of 53 to 6.

Proposal XIII stated that By-Law 22 be made to read: "Only officials registered with the Officials' Division of the Association shall be assigned or employed to officiate in basketball, football, baseball and wrestling." Johnnie Lee made the motion, seconded by John Stringer, that Proposal XIII be adopted. The motion carried unanimously.

Norman Perkins moved, seconded by Howard Keel, that Proposal XIV providing for the deletion "of $3.00" in By-Law 29, Section 2, be adopted. The motion carried by a vote of 53 to 6.

L. D. Knight moved, seconded by T. G. Florence, that Proposal XV be adopted. The proposal concerned By-Law 29, Section 4-c, and stated, delete in the last sentence "in at least six first team high school football games or twelve first team high school basketball games" and replace with "and has worked all the games assigned to him during the previous season." The motion carried by a vote of 56 to 3.

John Stringer moved, seconded by Luther McDowell, Jr., that Proposal XVI providing that By-Law 29, Section 7, be deleted entirely and insert "An official shall accept assignments in the amount of time and manner as prescribed by the local officials association to which he belongs" be adopted. The motion carried unanimously.

Virgil Sublett moved, seconded by Sam Robinson, that Proposal XVII providing that By-Law 29, Section 8, be made to read: "The Board of Control will protect both the officials and schools against violations pertaining to assignments" be adopted. The motion carried unanimously.

Proposal XVIII stated that By-Law 29, Section 11, be made to read: "The Commissioner may establish as many bureaus as deemed necessary in each sport to assign officials." W. J. Pickett moved, seconded by George Sauer, that this Proposal be adopted. The motion carried by a vote of 57 to 2.

By a vote of 22 for and 22 against, Joe Ohr of the Kentucky High School Coaches Association, was denied permission to present a proposal for consideration to change By-Law 6, Section 1, to read "thirty-seven" school weeks instead of "thirty-six" school weeks.

A proposal from the floor to make Proposal IV effective in 1975, was defeated by a vote of 24 to 19.

There being no further business, the meeting was adjourned by President Vincent.

The dinner meeting of the Association was held in the Ballroom of the Seelbach Hotel at 6:00 P.M. Recipient of the Game Guy Award was Sol Dudley of Henderson High School. Presentation of the award was made by Charlie Vettiner. The address of the evening was given by Fran Curci, Head Football Coach, University of Kentucky.

Kentucky High School Coaches Association Annual Meeting

The annual business meeting of the Kentucky High School Coaches Association met at the Seelbach Hotel in Louisville on April 12, 1973, with 60 members present.

Bowman Davenport, the in-coming president called on Don Morris, basketball coach at East Hardin for the invocation.

As the minutes of the Association are published in the Athlete, Goodman, of Meade County moved and Wallace of Trigg Co. seconded that the reading of the minutes be dispensed with. Motion carried.

Treasurer Joe Ohr read the financial report of the All-Star account and the Kentucky High School Coaches Association account. The report was accepted.

The feature speaker, Coach T. W. Alley, football mentor of the University of Louisville was introduced by Coach Irv Spencer of Valley High School. Coach Alley remarked that he represented 95% of the college coaches—"stepping up from an assistant to a head position—it is priviledge to coach, because parents turn their children over to you for full and total development—athletes are above the average student, we develop the traits instilled in them by their parents—the role of the coach takes you into administration, you are an intregal part of the educational process, you have the most direct contact with the students—we as coaches have a role to play in discipline; students respect the coach more than any teacher. More coaches are in the administrative field because they have not been afraid to discipline the youth under their guidance—the leadership of the coach sets the tempo of the school—coaches probably understand the youth better and as coaches one must maintain an image and be above reproach". Alley stated that he wanted as many Kentucky boys as possible on his Louisville team and in selecting an assistant coach that he certainly wanted a high school coach from Kentucky on his staff. Jim Kennedy of Trinity High School was selected for this position.

For the first time in honoring the "Coaches of the Year" in football and basketball, the coaches were from the same school—Roy Walton, football coach and Nolan Barger, basketball coach of Tates Creek High School, Lexington, Kentucky were elected by their fellow coaches. Phil Greer, assistant football coach at Tates Creek, accepted the awards for both.

Bowman Davenport, president of the K.H.S.C.A. presented a plaque to Coach Garnis Martin, of Bardstown High School, as the out-going president.

Ty Holland, former football coach of Murray High School was presented a plaque on behalf of the association for his 43 years of coaching and service to the youth of Kentucky. Holland is a former member of the Board of Control.

In the election of officers, Joe Ohr, of Irvine was reelected as secretary-treasurer and Pat Dale, football coach of Danville High School was elected sergeant-at-arms.

In accordance with new rules governing the All-Star games—the team members were made public to the press and to members present. A printed list of players and votes received was released by Games Director Eck Branham.

Meeting adjourned at 11:50 A.M.
